

## New Program Request Form

Do you have a talent or skill that you'd like to share with others? The Wheaton Park District Recreation Department invites you to submit a program proposal for a future class. We offer programs throughout the year in a variety of locations and to a wide variety of ages as part of our district's mission to "enrich the quality of community life through a diversity of healthy leisure pursuits".

Proposals are considered for review based on factors including, but not limited to community interest, existing classes, department objectives, and potential for cost recovery.

## Proposals may be emailed to:
