Latest from Linda

Welcome to the Mary Lubko Center and the fall edition of *Time Of Your Life*. There are a lot of exciting travel destinations to choose from this season, including a rare opportunity to see Lance Lipinsky, who stole the show playing Jerry Lee Lewis in Chicago's long-running musical hit *Million Dollar Quartet*. There are many special ways to celebrate the holidays. All the staff here love the Holiday Gala, and we hope you'll join us for all our holiday specials. We're returning to the Fireside Theatre in November to enjoy Fireside Christmas, which is always spectacular. Check out the Christmas concerts on the back page – both are guaranteed to get you in the holiday spirit. I hope you see something you like and join us for a program or trip this season.
