Latest from Linda

Happy New Year from all of us here at the Mary Lubko Center. 2016 was definitely interesting! The Cubs winning the 2016 World Series was a dream come true. Check out our new trip to see two Cubs games in Cincinnati on page 10. I hope all of the trips you took and programs you attended were memorable. According to a new Pew Research Center poll, the happiest people are those who take time to see friends and family and go out to dinner with them. That fact inspires us to offer plenty of opportunities to do just that. Please check out our new parties and trips and consider joining us as part of your New Year's Resolution to find true happiness.
