

WIDE HORIZONS 2017/2018

Wide Horizons Preschool promotes school readiness using play and skill development, including social, language, creative, and fine/gross motor abilities. Our typical day has structured lesson plans, free play, music, movement, arts and crafts, science, story time, and snacks to enrich the whole child. Special event days and holiday parties add to the fun each session. Class dates are August-May. There is a nonrefundable \$200 deposit.

Join us for an open house January 25 or March 1, 5-7P at the Community Center!
