### **CALL TO ORDER**

### **PRESENTATIONS**

### **COMMUNITY INPUT**

Public comments are important to the Board. However, it is the Board's policy not to take action on items until time has been taken to gather information and discuss all options. Lack of action does not imply lack of interest in the issues. During the community input portion of the agenda the Board typically will ask residents to provide input prior to accepting input from nonresidents.

The purpose of the public participation is to allow the public the opportunity to make a statement to the Board. The purpose of public participation is not to provoke a debate with the Board. Once an individual has spoken, that individual may not speak on the same issue again Any limitation regarding addressing the Board may be waived by the Park Board President.

Except during the public comment portion of the regular Board agenda, or as stated in this rule, no person other than the Executive Director or the District's Attorney may address the Board.

### **CONSENT AGENDA**

Consent Agenda items are considered by the Park District to be routine and will be enacted in one motion. There will be no separate discussion on these items. If a member of the Park Board requests, a Consent Agenda item will be removed from the Consent Agenda and considered as an individual item at the end of old or new business.
