providing for the payment of the prevailing rate of wage to all laborers, workmen and mechanics engaged in the Work. Contractor shall pay, and shall require all lower-tier subcontractors to pay, not less than the prevailing rates of wages, and also not less than the general prevailing rate for legal holiday and overtime work as applicable in accordance with the Illinois Department of Labor's wage determination, and any subsequent determinations issued by the Illinois Department of Labor. These revisions may be accessed by computer at <https://www2.illinois.gov/idol/Laws-Rules/CONMED/Pages/prevaling-wage-rates.aspx>. Contractor is responsible for determining the applicable prevailing wage rates at the time of bid submission and at the time of performance of the Work. Failure of Contractor to make such determination shall not relieve it of its obligations in accordance with the Contract Documents. Contractor shall also comply with all other requirements of the Act including without limitation those pertaining to inclusion of required language in subcontracts, job site posting, maintenance and submission of certified payroll records and inspection of records. All certified payroll documents for this project shall be submitted directly to the Illinois Department of Labor ("IDOL") through the IDOL Certified Transcript of Payroll Portal, which can be accessed at: <https://www2.illinois.gov/idol/Laws-Rules/CONMED/Pages/certifiedtranscriptofpayroll.aspx>.

All bonds provided by the Contractor and its subcontractors shall include a provision guarantying performance of the prevailing wage clause contained in the Contract. Notwithstanding anything else in this Agreement to the contrary, the Owner's obligation to make payment to Contractor shall be expressly contingent upon Contractor's timely submission of certified payrolls as required by the Prevailing Wage Act on forms promulgated by the Illinois Department of Labor. The Contractor shall insert into each subcontract a requirement that not less than the prevailing rate of wages shall be paid to all laborers, workers and mechanics performing work on the project and a requirement that each subcontractor insert a comparable requirement into each lower tiered subcontract.

§ 8.7.3 If any section, paragraph, clause phrase or portion of this Contract is for any reason determined by a court of competent jurisdiction to be invalid and unenforceable, such portion shall be deemed separate, distinct and an independent provision, and the court's determination shall not affect the validity or enforceability of the remaining portions of this Contract.

§8.7.4 This Contract shall be governed by the internal laws of the State of Illinois both as to interpretation and enforcement. The parties agree that all disputes between them, whether arising out of or related to the Contract or arising out of any statute, regulation or common law, will be litigated exclusively in the Circuit Court of the Eighteenth Judicial Circuit, DuPage County, Illinois. The parties expressly consent to the exclusive jurisdiction and venue of such court, and covenant not to sue in any other court. The parties waive their right to argue that this court is an inconvenient forum.

§ 8.7.5 This Contract contains the entire agreement between the parties. There are no covenants, promises, conditions, or understandings, either oral or written, other than those contained herein or those that may be added by amendment.

§ 8.7.6 The Contractor shall provide a drug free workplace as provided for in Public Act 86-1459.

§ 8.7.7 If the Owner fails to appropriate funds to enable continued payment of multi-year contracts/purchase orders, the Owner may cancel, without termination charges, by giving Contractor at least thirty (30) days prior written notice of termination.

§ 8.7.8 The Contractor, its employees and subcontractors agree not to commit unlawful discrimination and agree to comply with applicable provisions of the Illinois Human Rights Act, the U.S. Civil Rights Act and Section 504 of the Federal Rehabilitation Act, and rules applicable to each.

§ 8.7.9 Contractor warrants and represents that it has not violated, and will not violate, any provisions of the Illinois State Officials and Employees Ethics Act in responding to the solicitation for bids for the Contract.

§ 8.7.10 The Owner does not pay Federal Excise Tax or Illinois Sales Tax.

§ 8.7.11 The terms and conditions of this Contract shall be binding on and shall inure to the benefit of the parties hereto and their respective successors and assigns.
