Wheaton Park District
Mike Benard
1777 S Blanchard St
Wheaton, IL 60189
mbenard@wheatonparks.org

Dear Mike,

This quote details the computers to be replaced in the second installment of regularly-scheduled PC replacements for 2020. This consists of 12 desktops, 1 laptop, and 2 Microsoft Surface tablets.

*Replacements of computers for the Park District are typically completed in 2 installments per year. With the late start to the replacements this year due to the COVID-19 pandemic, **this second installment of replacements is scheduled for November/December of 2020.***

The following table specifies the computers to be replaced:

User	Warranty Expiration Date	Location
Community Center Front Desk (Wayfinder)	5/6/2019	Community Center
Randy Tucker	5/6/2019	Prairie Office Building
Mary Beth Cleary	9/28/2017	Community Center
Mark Dolphin	9/22/2016	Community Center
Sue Vasilev	8/4/2018	Community Center
Zoo Clinic	5/6/2019	Cosley Zoo
Gift shop west side	5/6/2019	Cosley Zoo*
Gift shop east side	5/6/2019	Cosley Zoo*
Cathy Marino	9/29/2016	Park Services Center*
Wendy Russell	8/12/2016	Prairie Office Building
Jackie Karnstedt	9/23/2017	Prairie Office Building
Bethany Meger	9/27/2018	Prairie Office Building
Joanna Koppang	2/15/2020	Prairie Office Building
Carl Dudgeon	2/15/2020	Arrowhead Golf Club
Angie Dosch	2/15/2020	Cosley Zoo

**Denotes a Point of Sale (PoS) workstation*

Several of the computers being replaced are Point of Sale (PoS) systems, and the peripherals on these workstations are in need of replacement. We have included two additional sections of this quote to specify the equipment needed, as follows:

- Touchscreen Replacements

- Peripherals to Obtain from VSI

The Touchscreen Replacements section details options for replacement of the touchscreen monitors that are on these devices, many of which are reaching the end of their useful life. Many of the touchscreen monitors currently deployed throughout the network are not used in such a way to leverage their touchscreen capabilities, so while touchscreen monitors are quoted here as replacements we can certainly obtain a conventional non-touchscreen monitor if desired. However, it may be useful to keep touchscreens deployed with the PoS computers because of the fact that future PoS operators may prefer the touchscreen capabilities over the conventional mouse and keyboard.

The Peripherals to Obtain from VSI section contains the other peripherals commonly connected to PoS workstations (in this case receipt printers and cash drawers). To ensure compatibility with RecTrac, we recommend that these be purchased from Vermont Systems (VSI) directly. This section details estimated prices and quantities of the devices necessary for this installment of new PC deployments. *The total shown in this section is a budgetary estimate only, and the components themselves will need to be purchased directly from VSI.*

If you have any questions or would like to discuss this quote prior to signing, please let us know. To order, please return a signed quote to AIE.

Best regards,

Geoff Pearson

Subtotal				\$2,373.22

Touchscreen Replacements (for PoS Workstations)

Description	Price	Qty	Ext. Price
The touchscreen monitors on the PoS computers to be replaced during this installment are themselves in need of replacement. With many of these PoS computers the touchscreen capabilities are not commonly used, but it may be desirable to have the capability as future PoS operators may prefer it.			
Touchscreen Monitor			
Asus 15.6" LCD Touchscreen Monitor - 16:9 - Capacitive - Multi-touch Screen - 1366 x 768 - WXGA - 50,000,000:1 - 200 Nit - LED Backlight - DVI - HDMI - USB - VGA - Black 	\$166.86	2	\$333.72
Subtotal			\$333.72

Peripherals to Obtain from VSI

The following table details items that need to be purchased directly from VSI, which includes Receipt Printers and Cash Drawers for the PoS systems. Pricing shown here is estimated based upon the last purchase from VSI, is subject to change, and is provided here for budgetary purposes only. (The grand total shown here is not included in the totals for this quote, as it will need to be a separate order placed by the Park District from VSI directly.)

PoS Peripherals to Purchase from Vermont Systems

Item	Quantity	Estimated Price	Totals
Cash Drawer, USB (H-DRW-MM-28-U-BK)	2	\$290	\$580
Grand Total:			\$580

Project Labor

Description	Recurring	Price	Qty	Ext. Recurring	Ext. Price
PC Replacement - Set up New PC, Transfer User Data, Tag for Disposal	\$0.00	\$250.00	15	\$0.00	\$3,750.00

AIE Guarantee

In the event that warranty hardware repair or replacement is required within 60 days of purchase, AIE will provide the labor for that repair or replacement at no additional charge.

Payment Terms

In order to initiate the work, AIE requires a signed copy of the agreement along with 100% down payment on all hardware and licensing and 50% down payment on all labor. The balance of the labor, along with any additional surcharges or tax, will be billed Net20 upon completion of the work.
