Dear Mike,

The following quote is for the Adobe Acrobat Standard licenses that are currently in use for Randy Tucker and Nick Parisi. They are currently using the 2009 version of Acrobat and we can no longer continue to renew the old licensing key for every computer replacement. As a result, they need the most recent version of the software. Note that these licenses are good for an 8-month duration as Adobe subscriptions are co-terminated to the VIP anniversary date.

Please let us know if you have any questions. If the quote is acceptable, please return a signed copy to us so we can obtain and implement the licensing.
