Dear Mike,

This quote is in regards to Angela Doromal's version of Acrobat. Her version of Acrobat is too old to support Outlook attachments on current versions of Office. An AIE tech was able to check the Adobe approved list, and she is allowed the newest version of Acrobat Standard. Please, review the details pertaining to the required licensing.

To order, please return a signed quote to AIE. Let us know if you have any questions, and we will be happy to answer them prior to ordering!

Thank you!
