### III. BEST PRACTICES

- As aquatic facilities, we continue to strive to be better and smarter. Below are listed those items staff accomplished for 2013.
- In 2013, a pre-pre season discount rate was offered November 23 to January 31. During that early period, 4,892 passes were sold bringing in sales totaling \$218,045 four months before opening day. During the pre-season discount period February 1 thru April 30<sup>th</sup>, 2,667 passes were sold totaling an additional \$144,789. Regular seasonal rates began May 1. From May 1 throughout the 2013 season 2,312 passes were sold for an additional \$134,429. 73% of total sales occurred during a discounted period.
- End of Season discounted pool passes were offered again this year. A family of four could purchase a pool pass at \$99.00 for the last month of the aquatic season. Passes were sold from August 1 to August 15, bringing in an additional \$1,061 with 45 passes sold.
- Non-resident coupon books were offered again this year. Each book contained ten coupons; each coupon admitted up to four non-residents. In 2013, 7 books were sold totaling \$1,400.
- The Parent and Tot program was a success again this summer drawing 168 participants to the class. The half-hour weekly lesson provided parents the opportunity to learn techniques to get their babies comfortable in the water. The Tuesday and Thursday evening class drew 80 participants to the class. Furthermore, the express Parent/Tot class in mid-August grew in enrollment to a total of 22 participants.
- Over the last several seasons, staff has made efforts and focused on reducing overtime.

	<b>Rice Pool &amp; Water Park</b>	<b>Northside Pool</b>
2013	\$326.10	\$0.24
2012	\$18.50	\$16.88
2011	\$88	\$0
2010	\$90	\$0
2009	\$302	\$930
2008	\$7,015	\$2,535

- Rice Pool’s ice cream & beverage cart again this summer, was located in the zero depth area. This location helped to reduce line congestion at our main location and proved very lucrative. For the 2013 season, this cart brought \$8,153 in sales.
- Northside Pool opened their concession stand during season swim meets again this year. A total of \$1,200 was brought in during those hours.
- Daily Safety Checks continued to be implemented at both aquatic facilities in 2013. These daily checks ensure our ability to account for any children and guests accompanying them for the day. This procedure was well received by patrons.
- Private Pool Parties went very well at Rice Pool this summer. The weekend choice party package includes a section of the pool for an hour of private swim time before the general public admission. The package also includes pool time during open swim, picnic area, food and drinks. Three (3) out of the 12 available dates sold in 2013 bringing in a total of \$1,050 in revenue.

#### IV. HIGHLIGHTS

- Wheaton Park District's aquatic facilities employed 288 individuals during the 2013 summer season; Rice Pool employed 199 while Northside Pool employed 89. High school or college age employees totaled 283 while 275 or ninety-five percent of the staff were Wheaton residents. The district spent approximately \$387,133 on 2013 part-time aquatic wages. **Wheaton residents made up 95% of pool staff resulting in returning approximately \$367,776 to the local economy through wages.**
- Aquatic part-time wages came in under budget approximately \$33,000. Aquatic part-time 2013 wages decreased due to the season's weather conditions and low attendance when compared to \$4,210 in 2012.
- Rice Pool and Water Park has already secured a 2014 light pole banner sponsorship of \$2,000.
- The Wheaton Park District participated in the Ellis and Associates International Pool and Water Safety Lifeguard Training Programs. Through this program, lifeguards are audited on an individual basis as well as through Team Management Rescues. Audit ratings are based on professionalism, personal safety, aquatic accident prevention, observational skills, managing aquatic emergencies and team rescues. There are individual facility ratings as well as an overall park district rating. Both Northside Family Aquatic Center and Rice Pool and Water Park received "exceeds" ratings on all three audits.
- Rice Pool & Water Park and Northside Family Aquatic provided a safe and enjoyable time as 117,051 patron visits were recorded during the 2013 season.
- The DuPage County Health Department visited each facility during the summer. The concession stand inspections and water clarity tests were recorded as excellent.
- Staff surveyed swim lesson participants at both aquatic facilities. Swim lesson registration was down from the previous year although participants seemed pleased with our program. We were able to accommodate everyone on the waiting list. Comments and suggestions on teaching techniques, use of time, instruction, placement, and evaluating will be reviewed by the swim lesson coordinators and used as the basis for improvements for next year. (See Appendix "B" for Swim Lesson Survey Results.) The Parent/Tot class at Rice this season had 168 participants.
- Staff also surveyed our swim team program. Results will be shared with coaches and the comments will be addressed before next season as staff will work toward continually improving the swim team. (See Appendix "C" for Swim Team Survey Result.)
- The Barracuda Swim Team's enrollment totaled 146 participants this season. Two new coaches and two returning coaches made up the 2013 coaching staff. Coaches, swimmers and parents look forward to the 2014 season.
- The Parks Department once again provided both facilities with outstanding services. We appreciated the joint effort with the Parks Department.
- Inclement weather closed Northside Pool for 5 days this summer versus 6 days in 2012. Rice Pool was closed 6 days this summer versus 3 days in 2012.
- Rice Pool and Water Park is entering its 26<sup>th</sup> year of operation. Northside will enter its 20<sup>th</sup> year.
- Sunday, August 11, we celebrated the 25<sup>th</sup> Anniversary of Rice Pool and Water Park. Approximately 150 former pool staff and Park District came out to help us celebrate. Plaques were presented to both Al Zamsky and Wendy Russell for their years of service to the community.
- Rice Pool & Water has secured a \$2,000 light pole banner sponsor for the 2104 season.

**SWIM TEAM SURVEY COMMENTS**

- The coaching and timeliness of the program improved.
- Great summer program and the kids enjoyed.
- Families are starting to swim over the winter months.
- The coaches were great and the communication with parents was great.
- More hands on coaching with the swimmers.
- All Coaches very skilled and knowledgeable.
- Very Organized.
- Great 1<sup>st</sup> year experience and were very impressed.
- Would like more stroke clinic opportunities and diving instruction.
- Hope Barracudas would be open to swimmers through high school.
- Looking forward to 2014.
