RE: Arrowhead Environmental Storage Building – Change Order #2

DATE: August 18, 2020

SUMMARY:

During the excavation work for the Environmental Storage Building foundation at Arrowhead, a storm pipe was uncovered just beneath the foundation footings. This was not identified on any of our existing documents or investigations in the field.

DuPage County inspected the footings and stormwater pipe and directed that the pipe must be replaced before pouring the concrete footings. Staff worked with our engineer and architect to develop revised plans for resubmittal to the county which were approved on July 21. The change order is for removing and replacing a section of concrete pipe approximately 30 ft long and attaching it to the existing pipe along with adding geotextile fabric and gravel to cover the pipe.

PREVIOUS COMMITTEE/BOARD ACTION:

The original contract was approved at the February 19, 2020 Board meeting.

RE: Tenting of Patio and Terrace at Arrowhead Golf Club

DATE: September 1, 2020

SUMMARY:

Staff is seeking to extend the ability to utilize the outdoor dining areas on the restaurant patio and halfway house terrace from September 21 –November 16 with tenting and outdoor heaters for our guests. Due to COVID-19 – Phase #4 Restore Illinois Guidelines, indoor dining has been limited to 50% capacity with tables spaced 6-feet apart.

Staff has researched options for renting one 30 x 30 tent and one 20 x 30 tent for these outside spaces. Estimates include: tenting frame, covering, weights to secure tents, walls with windows, propane heaters, 100lb propane tanks + (which will need to be filled daily), and café lights to hang inside the tents .

Several quotes were sought for the project with four rental quotes being secured.

| Company | | Patio | Halfway House Terrace | Total + |
|--------------------------|--------|------------|-----------------------|--------------|
| Ultimate Rental Services | Rental | \$5,987.03 | \$4,639.52 | \$ 10,626.55 |
| Braun Events | Rental | \$7,816.00 | \$7,230.00 | \$ 15,046.00 |
| Big Tent Events | Rental | \$8,756.41 | \$8,756.41 | \$ 17,512.82 |
| Arlington Rental | Rental | \$9,850.00 | \$9,350.00 | \$ 18,700.00 |

+ Rental tent estimates Arrowhead Golf Club would be responsible for refilling the propane tanks at, roughly \$7,500.

Staff has used Ultimate Rental Services for other special events in the past and have had no issues.

REVENUE OR FUNDING IMPLICATIONS:

The cost to rent each tent is \$93.21 per day, per tent to cover the estimated expenses (based on an estimated cost of \$10,626.55) for the tent rental for 57 days, plus the estimated heating costs at 50% - 28.5 days (\$125 to fill the propane tank) \$7,125 = \$17,751.55. Staff believes that each tent must bring in an additional \$500 per day, in revenue to cover the cost of the tent rental, heating, food, and labor cost. *(The revenue estimate doesn't take into account any weather conditions which would permit outdoor dining).*

Arrowhead Golf Club would also be responsible for refilling the propane tanks at roughly \$125 per 100lb tank (approximately 8-10 hours of heat). It is estimated to be an additional \$7,125 in expenses for propane to heat both tents for 28.5 days (half of the 57 day rental – listed above).

Currently, there is no money allocated for this project included in the 2020 budget. Funds will be taken out of the restaurant supplies and banquet supplies accounts to pay for the tent rentals. Currently \$18,457 has been spent on supplies for the restaurant out of the \$60,000 budgeted and \$14,793 out of the \$20,000 budgeted in banquet supplies. GL# 60-612-902-53-5388 and GL #60-612-901-53-5390

LEGAL REVIEW:

Tent permitting would be required by DuPage County for this project at an approximate cost of \$250. Permit procurement includes the following: six copies of the plat of survey or site plan with proposed location of the tent notating the distance from lots, buildings, and other structures, two copies of construction plans meeting current building codes, two copies of the tent layout which includes aisles, table placement ,exits, fire extinguishers, electrical power, lighting, and exit lights.

RECOMMENDATION:

Staff is seeking board approval to rent two outdoor tents from September 21 – November 16, 2020 to extended outdoor dining at Arrowhead Golf Club at a cost not to exceed \$20,000.

RE: Cosley Zoo Roofing Bidding

DATE: July 27, 2020

SUMMARY:

Early in 2019, a hailstorm caused damage to roofs at Cosley Zoo and the 855 Prairie office building. Roofs at Cosley Zoo include: Kiebler barn, animal clinic, pig building, entrance ticket booths & storage barn east of Gary Ave. A claim was filed with PDRMA. Following their review, they have agreed to pay up to \$189,532.98 (less the \$1,000 deductible).

Staff worked with Illinois Roof Consulting Associates (IRCA) to prepare the plans and specifications, which were sent out bidders on June 10, 2020. Forty-two contractors received bid documents.

Bids were opened on June 24, 2020. The results were as follows:

| | |
|----------------------------|-----------|
| Red Feather Group | \$100,907 |
| Seal Tight Exteriors | \$139,500 |
| Filotto Construction | \$148,300 |
| All American | \$175,600 |
| Premier Contractors | \$176,000 |
| J&F Chattello Construction | \$190,456 |
| Knickerbocker Roofing | \$376,000 |

Previously there was concern that Red Feather is primarily a painting company and would not be qualified to perform the work. Red Feather has indicated the work will be sub-contracted to GTG Roofing and roofing license was provided. Neither the park district nor IRCA have previous experience with GTG roofing, but references were checked and were favorable. Therefore IRCA has provided a recommendation to contract with Red Feather, utilizing GTG Roofing as a sub-contractor.

PREVIOUS COMMITTEE/BOARD ACTION:

Hiring IRCA as a roofing consultant was discussed at the October 2, 2019 Buildings and Grounds subcommittee meeting and approved at the following Board meeting.

REVENUE OR FUNDING IMPLICATIONS:

The cost will be covered by the PDRMA claim.

STAKEHOLDER PROCESS:

Work will be scheduled with Cosley Zoo staff.

**RE: Roof Rehabilitation Bids for the
Cosley Zoo 2020 Reroofing Project**

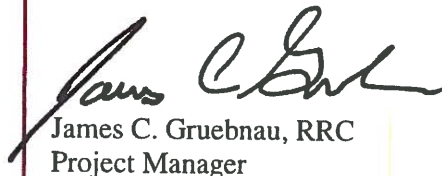

Dear Mr. Morrow:

Since the time of our original Bid Recommendation, which is attached, the apparent low bidder Red Feather Group has provided additional information regarding their Bid. They have now indicated that they will be using a sub-contractor. GTG Services Corp. will be doing the roofing work. While I have not worked with them in the past, they have provided several references and their roofing license which is also attached. Their references provided positive feedback. Therefore, it is now our recommendation to proceed with this project using Red Feather Group.

If you have any questions, please feel free to contact this office.

**RE: Roof Rehabilitation Bids for the
Cosley Zoo 2020 Reroofing Project**

Dear Mr. Morrow:

Illinois Roof Consulting Associates, Inc. (IRCA) was authorized to prepare project documents and specifications for the roof rehabilitation at the referenced site. The following is a summary of our work in this regard and our recommendations for award of the roofing contract.

We collected data at the site and formulated a specification. Once the documents were reviewed and finalized, we provided the Park District with an Advertisement to Bid.

The contractors who responded to the Advertisement were All American, Filotto Construction, J & F Chiattello Construction, Knickerbocker Roofing, Premier Contractors, Red Feather Group, and Seal Tight Exteriors. A pre-bid meeting was held at the site on June 17, 2020, at 9:00 A.M. The project's requirements, specifications, and details were reviewed and the roofs were examined by the participants. Subsequent to this site meeting, an addendum was transmitted to all Bidders of Record.

As originally announced, the Bids were opened on June 24, 2020. Attached is a spread sheet listing the Bid prices received.

After carefully reviewing the bids and verbally confirming both price and scope of work with the second lowest bidder, we are pleased to recommend that the project proceed as specified using Seal Tight Roofing. The low Bidder of Record was disqualified by IRCA due to the following factors:

- The Contractor is a painting firm and this project is strictly roofing.
- The pricing submitted does not correspond to the Scope of Work.

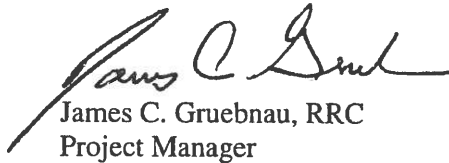

Please let me know what is decided and how you wish to proceed.

RE: 2020 Equipment Replacement

DATE: August 28, 2020

SUMMARY:

Annually we budget to replace a portion of our fleet equipment to ensure safety and function. This year we had ten items budgeted at a total of \$390,000. Considering the current conditions throughout the district, we are intending to defer most of these replacements a year or more. There are four items that are recommended for replacement at this time.

| Item | Recommendation | Purchase Price |
|--|---|----------------|
| S570 T4 Bobcat Skid Steer Loader (NJPA Contract Pricing - #040319-CEC) | This is the loader used daily at the zoo. It was purchased in October 15, 2009. New emission standards are being implemented that will increase the price and decrease the performance. | \$36,000 |
| Foley 460 Blade Grinder (3 quotes obtained) | This is used to sharpen our mower blades and is used on a regular basis. We have had frequent service calls on the current equipment that was purchased August 29, 2007. | \$18,195 |
| Vermeer SC362 Stump Grinder (Sourcewell Pricing Contract #062117-VRM) | This is a heavily used piece of equipment by our conservation crew. The current one was purchased June 2006. | \$20,071 |
| Sure-Trac Trailer (3 quotes obtained and ordered in March-below board approval) | This replaces a trailer that was purchased 1991. It was ordered prior to the March shut down and has been received. | \$6,649 |
| Total | | \$80,915 |

Per policy, we will continue to dispose of the existing equipment through auction utilizing local auction estimates for the base bid amount.

RE: Rotary Park Power to Fountain

DATE: August 17, 2020

SUMMARY:

Staff has been pursuing options to provide power to Rotary Park following that the planned electrical outlets could not be constructed as initially proposed. Our intention was to tie into the city lights; however, they are only powered at night.

We contacted ComEd about providing a new meter and were informed that the closest pole is on the west side of Main Street and would require an easement from Mariano's. Negotiating this easement has been difficult especially considering changes in ownership and property management companies.

Recently they valued the cost of the easement at approximately \$10,000 in addition the cost for ComEd's installation (estimated to be \$14,000). Legal expenses we have already incurred are \$7,612.50 to date and would increase if the easement was provided willingly or adversely.

As an alternative, staff is looked at solar power as an option for the fountain. The previous proposal considered power for the fountain and additional future needs. We have revised this proposal to provide just the anticipated power for the fountain. This would reduce the size of the panels to (2) three foot by five foot panels that would be post mounted approximately ten feet high set against the hill to the parking lot (see attached plans and elevations). The cost to purchase the equipment is approximately \$4,500 and would be assembled by staff.

PREVIOUS COMMITTEE/BOARD ACTION:

A larger solar option was previously presented at the November 2019 B&G meeting.

REVENUE OR FUNDING IMPLICATIONS:

Funds for the necessary equipment would need to be obtained from other current capital or supply accounts.

STAKEHOLDER PROCESS:

We have contacted the City of Wheaton regarding the permitting and zoning process for a small solar installation. Responses have been positive.

ALTERNATIVES:

Continue to pursue easement to bring ComEd power to the site at an estimated cost in excess of \$24,000 (easement fee + ComEd installation fee).

RECOMMENDATION:

Staff is recommending that we install a solar panel system at Rotary Park to power the fountain.

NOTES

The Wheaton Park District seeks to place a small solar array at Rotary Park to power the fountain and outlets recently constructed the park. Alternative power sources were explored. In each case the source of power was too far and the cost of easements and construction was high. Solar provides an affordable solution.

RE: Memorial Park Master Plan – Request for Additional Services

DATE: August 17, 2020

SUMMARY:

In January 2020, Williams Architects identified that they exceeded their anticipated number of site visits. Staff estimated 25 additional visits would be needed through completion of the project. Subsequently, the pandemic altered the construction schedule and reduced the district staff available to monitor the project. As a result, the total number of additional visits necessary to complete the project totaled 36 (or 11 beyond the previously approved 25).

Attached is their explanation of previous visits and the cost for additional visits of \$750. All visits are at the direction of park district representatives on the project. Accordingly, the additional 11 visits to the site resulted in an additional cost of \$8,250.

Additionally, previous approvals did not consider the reimburseable expenses that were identified in the initial agreement, but not listed as a line item expense. Their current total for reimbursable expenses is \$15,038 primarily consisting of: printing, travel expenses and postage. This totals just over 3% of their \$459,000 contract amount.

PREVIOUS COMMITTEE/BOARD ACTION:

Williams Architects Proposal in the amount of \$459,000 approved on May 16, 2018.
Williams Architects Additional Services and Site Visits \$18,750 approved on January 2020.

REVENUE OR FUNDING IMPLICATIONS:

\$250,000 is budgeted for this projects professional services in 2020.

ATTACHMENTS:

RE: 2020-22 Herbicide Spraying Bid

DATE: September 3, 2020

SUMMARY:

Annually we treat our high use parks with a broadleaf herbicide to inhibit weed growth and encourage a dense growth of turf that can withstand the foot traffic that we have. Traditionally we have had a staff member utilize our boom sprayer to do this work. This is typically one of our trim crew leaders and it will take them approximately 5 weeks as they work this into their weekly ongoing tasks and work with the limited capacity of our sprayer.

Last year we tested using two lawn care companies to complete this work. There are several benefits that we see to outsourcing:

- Time herbiciding and impacting park use is reduced from several weeks to less than one by using larger capacity spray equipment and multiple machines
- Staff can dedicate their time to managing crews and their other tasks
- Boom sprayer (\$65,000) can be eliminated from the fleet since it sits idle most of year

When the cost of labor and equipment is factored, the cost of contracting is approximately even.

Specifications were made available to 14 bidders on August 20th. Bids were opened on September 3rd. The results were as follows:

| Company | Three Year Cost (Annual Cost) With Crabgrass Control | Three Year Cost (Annual Cost) Without Crabgrass Control |
|--------------------------|--|---|
| Eternally Green Lawncare | \$36,816.00 (\$12,272.00) | \$31,063.50 (\$10,354.50) |
| Spring Green | \$83,713.50 (\$27,904.50) | \$65,110.50 (\$21,703.50) |

Last year's test of two lawn companies totaled just under \$10,000 for a slightly small scope of work, therefore staff anticipated a total cost similar to the low bidder's cost. References for the low bidder were checked and were favorable. Depending on the weather (first frost), timing for crabgrass control may not be favorable in 2020 and could be handled by staff. However, it would be staff preference to include crabgrass control in the contract moving forward.

REVENUE OR FUNDING IMPLICATIONS:

Funding for this work is available within the current fiscal year and future years. (10-101-000-52-5210-0000)

STAKEHOLDER PROCESS:

While there has been some concern over herbicide use in neighboring communities, feedback we have received indicates more people support continued weed suppression. In other words, we get more complaints about weeds in parks than people who are concerned about the application. Typically, the concerns are based on the inability to use the fields until the product is dry.

We will continue to post notices as required by law. The time the notices will be up will be less with the more efficient application.

LEGAL REVIEW:

Standard bid documents were used.

ALTERNATIVES:

We can continue to utilize in house staff. If this option is considered, we would need to replace our current boom sprayer.

RECOMMENDATION:

It is recommended that the Wheaton Park District Board of Commissioner's approve the proposal from Eternally Green Lawncare for a contract amount not to exceed \$36,816.00 for herbicide spraying from 2020 to 2022.

RE: Potential Locations for Pickleball Courts

DATE: August 31, 2020

SUMMARY:

The popularity and demand for pickleball has been growing steadily over the last few years and residents have expressed interest in having dedicated courts for their use. We currently have two dedicated courts at Atten. Additionally, there is pickleball striping on two tennis courts at Northside Park and one at Atten Park, but the mixed use of these courts means that the netting is at a slightly different height from regulation. Staff is hearing the demand for these courts is increasing.

Staff has identified the following locations as potential sites where additional pickleball courts could be constructed.

| Park Location | No. of Courts | Estimated Cost |
|--|---------------|----------------|
| Central Park convert tennis courts (lighted) | 6 | \$65,000 |
| Atten Park convert tennis courts (2 of 4)* | 6 | \$87,000 |
| OR | | |
| Atten open space northeast of tennis | 6 | \$182,000 |

**Courts at Atten have the Titan Trax surface*

The Wheaton Park District currently has 18 tennis courts (8 lighted). Additionally there are 6 courts at Wheaton North and 8 courts at Wheaton Warrenville South (WWSHS). The national average would be 11 tennis courts for a community the size of Wheaton, therefore converting 2 or 4 tennis courts to pickleball would still allow for an above average number of tennis courts in Wheaton. It should also be noted that WWSHS currently uses the 4 tennis courts at Atten for JV tennis programs.

PREVIOUS COMMITTEE/BOARD ACTION:

Construction of courts at Atten were approved at the May 15, 2019 Board meeting at a cost of \$60,000.

REVENUE OR FUNDING IMPLICATIONS:

Funds from District-wide asphalt could be reallocated for pickleball courts in the years they are proposed.

STAKEHOLDER PROCESS:

Staff will work with Athletics staff and WWSHS who currently use the tennis courts at Atten for their JV tennis programs. Staff is considering a short e-survey to residents to gauge demand for tennis and pickleball within the community.

RECOMMENDATION:

INTERGOVERNMENTAL AGREEMENT FOR PARTICIPATION IN DUPAGE COUNTY
LOCAL GOVERNMENT COVID-19 REIMBURSEMENT PROGRAM.

THIS AGREEMENT is made and entered into on this _____ day of _____, 2020 by and between the County of DuPage, a body politic and corporate, hereinafter referred to as "COUNTY" and _____, a Park District existing pursuant to the Park District Code (70 ILCS 1205/1), and collectively referred to as "the Parties".

RECITALS

WHEREAS, the Illinois Constitution and the Intergovernmental Cooperation Act (5 ILCS 220/ et. seq) authorize units of local government, including counties and Park Districts, to contract or otherwise associate among themselves in any manner not prohibited by law and to jointly exercise any power, privilege or authority conferred upon them by law; and

WHEREAS, Article 7, Section 10 of the Illinois Constitution of 1971 and the Illinois Intergovernmental Cooperation Act 5 ILCS 220/1 et seq. allow units of public entities to enter into intergovernmental agreements in the furtherance of their governmental purposes; and

WHEREAS, the County of DuPage received approximately one hundred sixty-one million dollars (\$161,000,000) from the United States Government pursuant to the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"); and

WHEREAS, the CARES ACT provides for payments to local governments navigating the impact of the COVID-19 outbreak via the Coronavirus Relief Fund; and

WHEREAS, the CARES ACT provides that payments from the Coronavirus Relief Fund may only be used to cover expenses which: (1) are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19); (2) were not accounted for in the budget most recently approved as of March 27, 2020 (the date of enactment of the CARES Act) for the local government; and (3) were incurred during the period that begins on March 1, 2020 and ends on December 30, 2020; and WHEREAS, the County of DuPage was eligible to receive payments under the

CARES Act, as it is a unit of local government in excess of 500,000 residents; and

WHEREAS, the United States Department of Treasury has issued guidelines with regards to the authorized use of funds allocated to local governments under the CARES ACT; and

WHEREAS, neither the CARES ACT, the United States Department of Treasury, nor state law, requires that the County disburse any funds to local park districts within its geographic boundaries; and

WHEREAS, under the CARES ACT, the County is ultimately responsible for any expenditures of CARES ACT funds; and

WHEREAS, much uncertainty remains regarding future costs the County and local park districts will be forced to bear related to the coronavirus emergency, and

WHEREAS, this agreement is intended to promote the most efficient distribution of resources which have been made available to the State of Illinois and the County of DuPage to benefit the citizens of DuPage County, and

WHEREAS, under the CARES ACT, should the Office of the Inspector General determine that the funds were used in a manner contrary to the intent of Congress or contrary to the United States' Department of Treasury guidelines, the CARES ACT provides that the federal government may recoup the improperly spent funds from the County; and

WHEREAS, the County, those park districts within DuPage County, and their residents, have suffered secondary effects of the coronavirus emergency, as the State of Illinois has ordered the closure of non-essential businesses; and

WHEREAS, the County of DuPage, as the jurisdiction responsible for disbursement of funds under the CARES ACT, finds that it is appropriate to use these funds to defray certain costs incurred by the Park District related to the coronavirus emergency; and

WHEREAS, the disbursement of funds under the CARES ACT to the Park District is in the best interests of the County, the Park District and their residents.

NOW, THEREFORE, in consideration of the mutual covenants and Agreements contained herein, the Parties hereby agree as follows:

1.0 Recitals, Definitions, and Purpose.

1.1 Recitals Incorporated. The recitals set forth above are incorporated in this Agreement by reference and made a part of this Intergovernmental Agreement ("IGA").

1.2 Definitions.

- A. **"CARES ACT funds"** shall refer to funds which have been allocated to DuPage County under the Coronavirus Aid, Relief, and Economic Security Act, as it may be amended ("CARES Act"), of which DuPage County is responsible for the disposition.
- B. **"Forms"** shall refer to forms or application documents used to seek reimbursement of coronavirus related expenses under this agreement.
- C. **"Expenses"** shall refer to the cost of tangible goods and services which (1) were necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19); (2) were not accounted for in the budget most recently approved as of March 27, 2020 (the date of enactment of the CARES Act) for the local government; and (3) were incurred during the period that begins on March 1, 2020 and ends on December 30, 2020. Examples of "Tangible Goods" would include, but are not limited to, personal protection and medical equipment, sanitation and disinfectant products, software, laptops and technology equipment necessary for employees to telecommute. "Services" as used in this definition means actions or intangible things which were performed by individuals who are not park district employees. Further, "Expenses" shall include payroll costs for Park District employees where such employees time was substantially dedicated to mitigating the spread or responding to the public health emergency and/or who have been reassigned

from their budgeted role to a different function to substantially support COVID-19 related activities. "Expenses" shall not include the complete payroll costs for employees who are not substantially dedicated to the mitigation or response to the public health emergency, except as set forth in 5.1 of this Agreement.

D. All other words used in this agreement which are not specifically defined shall have their normal and ordinary meaning.

1.3 Purpose. The purpose of this Agreement is to establish a contractual relationship between the County and Park District with regards to the proposed reimbursement of expenses associated with the coronavirus emergency from federal CARES ACT funds which the United States Federal Government has disbursed to the County. The County has, by resolution, created the DuPage County Local Government COVID-19 Reimbursement program. This agreement shall remain in effect between the parties to govern the form of applications for reimbursement, the review of applications, the criteria for reimbursable expenses, the retention of documents, and other material terms governing the processing of reimbursement applications.

2.0 Obligations of the County

2.1 Generally. The County, by and through its Finance Department or Third-Party Consultant hired by the County, shall process requests for reimbursement received by Park District subject to the requirements set forth herein.

2.2 Submittal does not guarantee approval. The County, by receiving and processing the reimbursement requests of Park District, does not guarantee approval of the reimbursement requests by the DuPage County Board, the DuPage County Finance Department, the United States Department of Treasury, or the Office of the Inspector General.

2.3 No further obligations. The County shall have no further obligations under this IGA other than those expressly set forth.

3.0 Obligations of the Park District

3.1 Generally. In order to submit requests for reimbursement of coronavirus emergency related expenditures, Park

District agrees to submit the forms, certifications and documentations set forth in this IGA for any expense for which Park District seeks reimbursement under this Agreement. Park District agrees that the sole and exclusive decision as to whether or not Park District's request is granted lies within the discretion of the DuPage County Board, and that submission of expenses for reimbursement does not obligate the County to agree to reimburse those expenses. Park District agrees that the County Board, through its Finance Department or Third-Party Administrator, may reject expenses which are clearly not permitted uses for CARES ACT funds such as using the funds for revenue replacement. In the event additional legislation or U.S. Treasury Department guidance allows for additional uses of CARES Act Funds, upon request of the Park District, the County and the Park District will address those additional uses by amending this agreement as provided in Section 11 herein, on terms mutually satisfactory to the County and the Park District.

4.0 Form of Expense Submittals, Certification, failure to use form or comply with criteria

4.1 Generally. The Parties agree that expenses for which Park District seeks reimbursement shall be submitted upon forms provided by the County.

4.2 Certification. Each request for reimbursement shall be accompanied by a certification (a sample of which is attached hereto as Exhibit A) wherein the President of the Park District Board or Executive Director, certifies that the expenses for which Park District seeks reimbursement: (i) are necessary expenditures incurred due to the public health emergency with response to the Coronavirus Disease 2019, (ii) which were not accounted for in the most recently approved budget of the Park District, as of March 27, 2020, (iii) were incurred during the period between March 1, 2020 and December 30, 2020. By entering into the IGA, Park District authorizes its President or Executive Director to sign such certification on behalf of Park District.

4.3 Failure to comply with Department of Treasury Guidelines. The County reserves the right to reject any

reimbursement which it feels, in its sole and exclusive discretion, does not meet the criteria of the CARES ACT or United States Department of Treasury guidelines associated with disbursement of funds under the CARES ACT. Such rejection may be made by the DuPage County Board. This section shall not be held to restrict the County Finance Department or Third-Party Administrator from rejecting requests which clearly fail to comply with the CARES ACT or with Department of Treasury guidelines.

5.0 Expenses to be reimbursed; Caps of maximum amount of reimbursements available to Park District; prohibition on duplicate reimbursement.

5.1 Park District may submit expenses as set forth in section 1.2(c) of this Agreement. Where submitted expenses are seeking reimbursement for employee payroll, the County requires that the expenses be separated into two categories. The first category shall be employees whose time was substantially dedicated to mitigating the spread or responding to the public health emergency and/or who have been reassigned from their budgeted role to a different function to substantially support COVID-19 related activities. For purposes of this section "substantially dedicated" shall mean that sixty percent (60%) or more of the employees' time was dedicated to mitigating the spread or responding to the public health emergency related to COVID-19. Park District may submit, and the County Board will consider, reimbursing 100% of the salary of "substantially dedicated" employees. The second category shall consist of employees whose time is not "substantially dedicated" to mitigating the spread of or responding to the COVID-19 public health emergency, but who have spent some portion of their compensated time (but less than sixty percent (60%)) mitigating the spread of or responding to the COVID-19 Public Health Emergency. The Park District may submit, and the County Board will consider, reimbursing payroll in the amount of the proportion of the individual employees' time spent mitigating the spread of or responding to the COVID-19 public health emergency. For example, if an employee spent twenty percent (20%) of his or her compensated time

mitigating the spread of or responding to the COVID-19 public health emergency, the Park District may submit for reimbursement of twenty percent (20%) of the employees' salary during the period of time in which the employee was engaging in COVID-19 related responses.

5.2 Park District shall not be entitled to reimbursement of expenses for which it has received reimbursement from another County, State, or federal program designed to reimburse local government for costs associated with the coronavirus emergency or other emergencies. If Park District receives reimbursement from any program referenced above, Park District shall refund any duplicate reimbursement to the County.

5.3 Park District shall receive, in aggregate, no more than the amount listed on Schedule 1 under this Agreement. This cap has been determined based upon the number of residents served by the District.

5.4 Where Park District is located, in part, in DuPage County and in part, in other Counties, Park District should pro-rate their requested expense reimbursements based upon the population of their residents which reside within DuPage County. For Example, if Park District has sixty percent (60%) of its population in DuPage County, a Park District may seek reimbursement for sixty percent (60%) of the total cost of the expense eligible for reimbursement. Park District shall not pro-rate expenses which were used only to the benefit of DuPage County residents.

6.0 Cooperation

6.1 The County shall assist Park District in complying with the requirements of the CARES ACT and the United States Department of Treasury guidelines by preparing sample forms and providing feedback and guidance with regards to the type and quality of information required to complete such forms.

6.2 Park District agrees to abide by the terms of the CARES ACT and all United States Department of Treasury guidelines.

6.3 Park District shall, at the County's request, supply County with all relevant information for the County to

evaluate whether a request for reimbursement meets the criteria under the CARES ACT and United States Department of Treasury guidelines.

7.0 Records

7.1 Park District shall maintain all records relating to the expenses which Park District seeks to have reimbursed by County from CARES ACT funds for a period of at least ten (10) years or the period of time required by other state or federal law, whichever is longer.

7.2 At any time, DuPage County, Third-Party Administrator, the DuPage County Finance Department, or the DuPage County Auditor, may request that the Park District provide records relating to the expenses which Park District seeks to have reimbursed. Park District agrees to provide records in response to such requests.

7.3 Failure to provide records may result in the denial of the reimbursement request. In circumstances where the reimbursement request has been granted and the records are needed to justify the reimbursement to the Office of the Inspector General or any other office, official, or department which may later become responsible for auditing disbursements of CARES ACT funds, failure by Park District to provide these records, for any reason including the prior destruction of these records, shall constitute a breach of this Agreement. The sole and exclusive remedy for such a breach is that Park District shall be responsible for repayment of any disbursement which the Office of Inspector General, or its successor, finds improper, unsupported, or unable to be verified. Additionally, Park District agrees to indemnify the County or make the County whole for any penalty assessed against the County based upon Park District's failure to retain or provide records.

8.0 Timeliness.

8.1 The Parties agree that time is of the essence in the processing of applications for reimbursement. The County shall use all reasonable speed and diligence in the processing of applications for reimbursement.

8.2 The Parties agree that time is of the essence in communications seeking supporting documents or requesting

records under this agreement. The Parties agree that they shall use all reasonable speed and diligence in responding to requests for records or supporting documents.

9.0 Indemnity.

9.1 The Parties agree that where the County relied upon the certification of the Park District that such expenses which Park District sought to have reimbursed from CARES ACT funds met the minimum requirements of the CARES ACT, and where the Office of the Inspector General, or any other person, official, or department which is charged with the auditing and review of expenditures of CARES ACT funds determines that such reimbursement was not permitted under the CARES ACT, Park District agrees to indemnify, reimburse and make whole the County for any funds which the United States Government or its agencies seeks to recoup or collect, either by litigation, or by withholding other federal funds owed to the County. Park District further agrees to indemnify, reimburse, or make whole the County for any penalties associated with the federal government seeking to recoup the expended CARES ACT funds which the County disbursed to Park District including interest, attorneys fees or any penalty provided by law.

9.2 Park District agrees to hold County harmless for any evaluation or advice which the County provided to Park District as to whether the requested reimbursement is a permissible use of the CARES ACT funds.

10.0 Term and termination

10.1 **Term.** This Agreement shall remain in effect until either party provides written notice of termination to the other. Such notice shall be effective 14 days after receipt of the termination.

10.2 **Survival of Terms.** Those terms relating to the party's obligation to maintain records and provide records, and the Park District's indemnification of the County shall survive the termination of this Agreement.

11.0 Amendment

11.1 Amendments to this Agreement may be performed with the written consent of the DuPage County Board and the Park District governing board.

12.0 Notices and duplicate copies.

12.1 Written notices required pursuant to this Agreement and all other correspondence between the parties shall be directed to the following and shall be deemed received when hand-delivered or three (3) days after being sent by certified mail, return receipt requested:

DuPage County: Daniel J. Cronin,
DuPage County Board Chairman

12.2 The Parties agree that this agreement may be entered into using identical counterparts, each of which when executed and delivered to the other party shall constitute a duplicate original, but all counterparts together shall constitute a single agreement. Upon ratification by the governing board of the respective parties, the parties shall each transmit the signed counterparts of this agreement to the other using the recipients listed above in Section 12.1 of this Agreement. This agreement shall go into effect immediately upon the ratification of the last party to execute this agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement, using duplicate counterparts, on the dates listed below.

 - Athletic Department developed new guidelines that the Illinois Department of Commerce & Economic Opportunity (DCEO) released on June 29.
 - Athletic Department continues to provide something for everyone, whether it be those that wish to remain at home or those who feel ready to participate in our modified intra-team scrimmages, training or programs. We are here for you, with safety being our #1 Priority.
 - Athletic Department continues to do spot checks on all fields to ensure COVID-19 safety protocols are being adhered to.
- COVID- 19 signage posted at all athletic fields
- Athletic Leagues
 - Wings in-house soccer program with training & intra-team scrimmages (Level 2) begins August 31
 - Fall in-house baseball softball leagues practice & games (Level 3). Normally is offered to 3rd-8th grade, but this year it is being offered to Prek-8th grade to give the community members an opportunity to continue their baseball softball season after a shortened summer season. Currently 479 participants are enrolled.
 - Rams Football 7v7 football training program with intra-team scrimmages (Level 2). 7v7 is a fun, non-contact way to play football. It is all passing, played on a 40-yard field plus end zone, and allows scoring both on offense and defense. Currently 189 participants enrolled.
 - Rams Cheer sideline spirit skills training (Level 1). Cheer athletes will meet once a week to learn and develop skill techniques including jumps, conditioning, motions, and cheer.
 - Modified in-house basketball (Level 2). TTNL will provide skilled instructors. Currently 131 participants enrolled.

- Travel/Feeder Basketball Academy (Level 2) intra –team scrimmages. Each player will develop skills, fundamentals, footwork, ball handling shooting and more from TTNL coaches. Currently 146 participants enrolled.
- Wheaton North Basketball Academy (Level 2). Each player will develop skills, fundamentals, footwork, ball handling shooting and more from Wheaton North coaches. Currently 59 participants enrolled.
- Wings and Midwest FC training & intra-team scrimmages (Level 2). Modified format will be 8 Intra-team scrimmages, training 2-3 times per week based on level & no tournaments (In our All sports Policy guidelines “Traveling out of state for tournaments, games or practices is prohibited for all Wheaton Park District sanction programs/teams.”. All training and intra –team scrimmages, will take place at Central Athletic Complex, Graf Park. Practices began August 31 with intra-team scrimmages starting Sunday, September 13. Current participants: Midwest FC 60, Wings SC 115 players. Intra-team scrimmages are schedule on Sunday for the majority and one age group playing on Saturday, so athletic can participate in other sports.
- Volleyball Fall Corec program with intra-team scrimmages (Level 2). Modified format will emphasize skill development, fundamentals, sportsmanship and fun. Intra-team scrimmages on Friday and training during the week at Community Center & Central Athletic Complex starting end of September. Currently 50 participants enrolled.

Wheaton Park District

COVID-19 WORKPLACE SAFETY GUIDELINES AND PROTOCOLS

Effective: May 15, 2020; Revised July 9, 2020; Revised August 28, 2020

The Wheaton Park District (“District”) is dedicated to providing a safe working environment for our employees, patrons, and vendors. Therefore, the District is implementing and administering the procedures and protocols set forth as a top priority to mitigate the spread of the COVID-19 virus in our workplace. These procedures and protocols are established from information provided by the Centers for Disease Control (CDC) and Occupational Safety and Health Administration (OSHA).

The District will determine the specific steps to take on a case-by-case basis by the Executive Director and the Human Resource Manager in consultation with the impacted supervisor(s) and, when applicable (such as in the case of a confirmed or suspected employee case of COVID-19), the local Department of Public Health.

These guidelines and protocols below were prepared as an outline rather than a comprehensive overview of each and every step the District is taking to limit the risk of potential exposure to COVID-19. The best practices and legal requirements related to COVID-19 continue to evolve. We will review, update, and redistribute this document as changes are made.

Designated Contact

The designated contact person will be the Human Resource Manager and can be reached by email at dhirshberg@wheatonparks.org or by phone at 630-510-4952. The Human Resource Manager will be responsible for coordinating COVID-19 related situations with employees, participants, patrons, etc. and staying up-to-date with changes to guidance from the CDC, OSHA, and State and Local laws that will be incorporated into our workplace. A designee may be assigned to act on behalf of the Human Resource Manager.

While supervisors will immediately isolate or send home employees who are symptomatic at work or who are known to have COVID-19 the Human Resource Manager will be responsible for communicating further instructions to the employee and other impacted employees, including topics related to potential self-quarantine or self-isolation, pay, medical and return-to-work documents, leaves of absence, reasonable accommodations, etc. The District will protect employees’ confidential health information (including the identity of those who are diagnosed with or suspected to have COVID-19) as required by applicable laws.

How COVID-19 Spreads

While much is unknown about COVID-19, including how it spreads, public health agencies and epidemiologists generally agree that COVID-19 spreads through respiratory droplets that are produced when an infected person coughs or sneezes and can land in the mouths or noses of people who are generally within 6 feet of one another. The droplets that remain in the air can also be inhaled into the lungs of a person walking by. Another way COVID-19 can be spread is by touching a surface or object that has the virus on it and then touching their own mouth, nose, or possibly their eyes.

Definition of “Close Contact”

The Centers for Disease Control defines “close contact” as when any individual who is within 6 feet of an infected person for at least 15 minutes starting from two days before illness onset (or, for asymptomatic patients, 2 days prior to positive specimen collection) until the time the patient is isolated. The DuPage County Health Department has stated the 15 minutes is consecutive.

Symptoms of COVID-19

People with COVID-19 can have a wide range of symptoms ranging from mild to severe illness. Symptoms typically appear 2 – 14 days after exposure to the virus. Symptoms can consist of a cough, shortness of breath or difficulty breathing, fever of 100.4 or higher, chills, fatigue, headache, congestion, runny nose, muscle or body aches, sore throat, and new loss of taste or smell, nausea, vomiting, or diarrhea. This list does not include all possible symptoms.

Employees are encouraged to seek a COVID-19 test at a state or local government testing center, healthcare center, or other testing location.

If an employee is showing any of these emergency signs, contact 911 immediately: trouble breathing, persistent pain or pressure in the chest, new confusion, inability to wake or stay awake, bluish lips or face, any other symptoms whether COVID-19 related or not that appear to be a medical emergency.

High Risk Employees and Patrons

The District has taken every precaution to control the spread of COVID-19 as listed under the Health Hygiene and Infection Control section below.

The Centers for Disease Control has stated that among adults, the risk for severe illness from COVID-19 increases with age, with older adults at highest risk. For example, people in their 50’s are at higher risk for severe illness than people in their 40’s. Similarly, people in their 60’s or 70’s are, in general, at higher risk for severe illness than people in their 50’s.

The Centers for Disease Control has listed individuals of any age with certain underlying medical conditions to be at an increased risk for COVID-19: chronic kidney disease, COPD (chronic obstructive pulmonary disease), immunocompromised state (weakened immune system) from solid organ transplant, obesity (body mass index [BMI] of 30 or higher), serious heart failure, coronary artery disease, or cardiomyopathies, sickle cell disease, and type 2 diabetes mellitus.

Based on what the Centers for Disease Control knows at this time, people with the following conditions “might” be at an increased risk for severe illness from COVID-19: asthma (moderate-to-severe), cerebrovascular disease, cystic fibrosis, hypertension or high blood pressure, immunocompromised state from blood or bone marrow transplant, immune deficiencies, HIV, use of corticosteroids, immune weakening medicines, neurologic conditions (such as dementia), liver disease, pregnancy, pulmonary fibrosis (damaged or scarred lung tissues), smoking, thalassemia, and type 1 diabetes mellitus.

Employees with a medical condition or disability that prevents them from safely wearing a face-covering should request a reasonable accommodation. A reasonable accommodation may be provided if it does not cause an undue hardship or endanger other employees. Employees should contact the Human Resource Department for a reasonable accommodation.

Likewise, patrons with a medical condition or disability that prevents them from safely wearing a face-covering should request a reasonable accommodation. A reasonable accommodation may be provided if it does not cause an undue hardship or endanger other patrons or employees. Patrons should contact a manager or supervisor in advance to request an accommodation ahead of their visit or upon arrival. The patron and manager or supervisor should discuss alternatives to providing service.

Hazards of COVID-19

The Occupational Safety and Health Administration has stated that employee risk of exposure to COVID-19 depends in part on the industry type and need for close contact, within 6 feet for 15 or more minutes, of people known to have, or suspected of having, COVID-19.

Low risk of exposure pertains to jobs that do not require contact with people known to be, or suspected of being, infected. Workers in this category have minimal occupational contact with the public and other coworkers.

Medium risk of exposure pertains to jobs that require frequent/close contact with people who may be infected, but who are not known or suspected of having COVID-19. An example is someone who has close contact (less than 6-feet for 15 or more minutes) with the general public.

High risk of exposure pertains to jobs with exposure to known or suspected sources of COVID-19. Workers in this category include healthcare delivery and support staff, medical transport workers, etc.

Very high risk of exposure pertains to jobs with exposure to known or suspected sources of COVID-19. Workers in this category include doctors, nurses, paramedics, etc.

Employee Daily Self-Check Prior to Starting the Work Shift and Throughout the Workday

All employees are to adhere to these standards and follow the procedures prior to reporting for work and throughout their work shift. All of these steps should be reviewed collectively, as one or more may indicate that an employee should not report to work as well as provide guidance on when an employee may return to work.

Employees should perform a daily self-check for symptoms of the virus **prior** to reporting for work **and during the workday**. Health questionnaire:

1. Are you experiencing the following: fever of 100.4 or higher, cough, shortness of breath, sore throat, chills, muscle aches, headaches (not related to caffeine, diet, hunger, migraines, or tension), new loss of taste or smell, or gastrointestinal concerns (e.g., abdominal pain, vomiting, diarrhea)?
2. In the last 14 days, have you been in close contact with anyone that has tested positive for or been diagnosed with COVID-19 or has symptoms of COVID-19?

3. Have you tested positive for COVID-19 in the last 14 days?

If you answer “YES” to any of the above questions: **DO NOT PROCEED TO WORK – CONTACT YOUR SUPERVISOR.** You will receive a phone call from the Human Resource Manager.

An employee should care for themselves and consult with their medical provider for medical treatment if symptoms become severe.

An employee may report to work if their medical provider confirms the cause of an employee’s fever or other symptoms are not the virus and releases the employee to return to work. A return to work note is required from the medical provider.

Notification of Exposure

The District has a duty as an employer to provide a safe workplace for its employees. Prompt notification reduces the risk that other employees will be exposed to the virus, therefore, an employee must immediately contact their supervisor or the Human Resource Manager to report any of the following conditions whether they are unable to report for their next shift; or during their shift:

- When the employee has been in close contact to someone with COVID-19, or
- When the employee has symptoms of COVID-19, or
- When the employee has been diagnosed (whether through a positive test or symptom-based diagnosis) with COVID-19, or
- When the employee is feeling ill.

Supervisor Responsibilities

Supervisors must ensure that all employees complete the COVID-19 Screening Questionnaire at the beginning of every shift PRIOR to entering their workspace or work area. Supervisors should conduct a mid-shift check to verify there is no presence of COVID-19. Notify the Human Resource Manager immediately at dhirshberg@wheatonparks.org; or 815-592-3092, or 630-510-4952 to report an employee that has:

- Answered YES to any question on the Screening Questionnaire;
- Called off work due to feeling ill;
- Reported they have symptoms of COVID-19;
- Reported being diagnosed (whether through a positive test or symptom-based diagnosis) with COVID-19; or
- Reported coming in contact with someone known to have COVID-19 or COVID-19 symptoms.

The supervisor will provide the Human Resource Manager with the best contact information to reach the employee. Let the employee know they will be contacted by someone in Human Resources for follow up and with instructions. **Send the employee home immediately.** If it is not practical to send the employee home because they are too ill to drive, move them to the designated

isolated room and keep others away. Offer to call a family member. If the symptoms are severe, call 911.

If the employee is working when they become ill, close off the areas the employee worked in to reduce the risk of exposure to other employees prior to cleaning and disinfecting.

If an employee is at home, the supervisor should direct the employee to remain at home, encourage the employee to call their medical provider regarding the symptoms; get a contact number for the employee; and instruct the employee to wait to hear from Human Resources with instructions.

When an Employee May Return to Work

Employees will communicate with the Human Resource Manager for coordination of their return to work.

The length of time of self-isolation or self-quarantine will vary on a number of factors and will be assessed in conjunction with the DuPage County Health Department and/or the individual's treating medical provider.

Further, when an individual has COVID-19 or symptoms of COVID-19, the Park District will require a medical provider's note clearing the participant to return to work (though the Park District reserves the right to be flexible with such notes should the healthcare system become overwhelmed). In general, however, the clearance guidelines are:

- 1) An employee has tested positive for COVID-19, has been diagnosed/confirmed with COVID-19, or has symptoms of COVID-19, may return when they meet the following criteria:
 - a. Must have isolated for a minimum of 10 days* after symptom onset (or specimen collection date if asymptomatic), **AND**
 - b. 24 hours with no fever without the use of fever-reducing medications, **AND**
 - c. COVID-19 symptoms have improved (for example, cough, shortness of breath, etc.) **AND**
 - d. Must provide a doctor's note clearing the employee to return to work, **OR**
 - e. ⁽¹⁾2 negative COVID-19 tests in a row, with testing done at least 24 hours apart **AND**
 - f. Must provide a doctor's note clearing the employee to return to work.

⁽¹⁾ **Note, the CDC and IDPH no longer recommend the test-based strategy of two (2) negative tests in the majority of cases.**

If at any time the medical provider confirms the cause of the fever or other symptoms are **NOT** related to COVID-19, and approves the return to work prior to the recommended timeframes above, the employee must present a note from their medical provider **PRIOR** to their return to work.

- 2) An employee is asymptomatic and tests positive, may return when they meet the following criteria:
 - a. Must isolate for a minimum of 10 days from the date of the positive test results, **AND**
 - b. A doctor's note is provided clearing the employee to return to work.

*A limited number of persons with severe illness or who are severely immunosuppressed may produce replication-competent virus beyond 10 days; this may warrant extending duration of isolation and precautions for up to 20 days after symptom onset or first positive test (if no symptoms).

3) An employee that has “close contact” with the following:

- a. An individual who has tested positive for COVID-19; or has been confirmed/diagnosed with COVID-19 may return when the following is met:
 - i. 14 days self-quarantine from the date of the last close contact;
- b. An individual who has tested positive for COVID-19; or has been confirmed/diagnosed with COVID-19 AND the employee can avoid further close contact may return when the following is met:
 - i. 14 days self-quarantine from when the person with COVID-19 began home isolation away from other members of the household;
- c. An individual who has tested positive for COVID-19; or has been confirmed/diagnosed with COVID-19 AND has had additional close contact with someone else who tested positive for COVID-19; or has been confirmed/diagnosed with COVID-19 may return when the following is met:
 - i. Restart self-quarantine for 14 days from the last day of close contact with anyone who has COVID-19. Any time a new household member gets sick with COVID-19 and close contact occurs, quarantine will need to be restarted.
- d. An individual the employee lives with tested positive for COVID-19; or has been confirmed/diagnosed with COVID-19 AND cannot avoid continued close contact (e.g., shared kitchen/bathroom, etc.) may return when the following is met:
 - i. Quarantine for 14 days after the person who has COVID-19 meets the criteria to end home isolation.
- e. An individual who is suspected of having COVID-19 and is waiting for test results may return when the following is met:
 - i. Quarantine for 14 days from the last close contact; OR
 - ii. The individual has one negative test.

If the employee with close contact develops symptoms, they should follow isolation rules in 1) above.

If an employee had close contact with another individual that had close contact with someone who tested positive or was confirmed/diagnosed with COVID-19, no quarantine or isolation is needed for the employee.

The District will evaluate the information and determine next steps, depending on the guidelines above, on a case-by-case basis. Consultation with the DuPage Health Department and/or the employee’s treating healthcare provider may be needed. Contact the Human Resource Manager at dhirshberg@wheatonparks.org or 630-510-4952 or 815-592-3092.

Traveling

As your employer, we are responsible for providing a safe and healthy workplace for our employees. During the COVID-19 pandemic, we expect employees will use good judgment and take the necessary precautions to reduce the chance of getting and spreading COVID-19. This includes checking the CDC website for travel guidelines and “high risk” destinations before making travel plans. Travel guidelines can be found at: <https://www.cdc.gov/coronavirus/2019-ncov/travelers/travel-during-covid19.html>.

Before Traveling

According to the CDC, travel increases your chances of getting and spreading COVID-19. Airports, bus stations, train stations, and rest stops are all places travelers can be exposed to the virus in the air and on surfaces. These are also places where it can be hard to social distance. In general, the longer you are around a person with COVID-19, the more likely you are to get infected. Below are some things to consider when planning to travel:

- Know when you should delay or cancel your travel such as when you are sick, have recently tested positive for COVID-19, or have been in close contact with someone with COVID-19.
- Is your destination a “high risk” area?
- Do you or your travel companions or household members have an increased risk for severe illness from COVID-19?
- Does your destination have requirements or restrictions such as quarantine upon arrival or mandatory testing? Consider checking your destination periodically should restrictions change.
- Bring enough masks and hand sanitizer for the length of your trip, including disinfecting products for your hotel room.
- Bring enough medications should you be quarantined outside the United States for an extended period of time. Medical care in your destination may be limited.
- **Check with your health insurance coverage if it will be available outside Illinois or the United States.**
- Continue to monitor your health for signs and symptoms of COVID-19.

Returning from Travel

You may have been exposed to COVID-19 on your travels. You may feel well and not have any symptoms, but you can be contagious without symptoms and spread the virus to others. You and your travel companions (including children) pose a risk to your family, friends, coworkers, and community for 14 days after you were exposed to the virus. Regardless of where you traveled or what you did during your trip, **the District strongly encourages you to be extra vigilant and take the following precautions for 14 days upon your return to work:**

- Maintain at least 6 feet of distance (2 arms’ length) from all others, limiting yourself to your own workspace.
- Wear your mask properly as recommended by the CDC by covering your nose and mouth with a quality mask that fits snugly with no gaps.
- Wash your hands often or use hand sanitizer frequently.
- Monitor your health for signs and symptoms of COVID-19. Take your temperature before coming to work.

The Families First Coronavirus Response Act emergency sick pay does not apply to quarantine unless the employee is subject to a Federal, State, or *local quarantine or isolation order related to COVID-19; has been advised by a health care provider to self-quarantine, or is experiencing COVID-19 symptoms and is seeking a medical diagnosis. *The Park District is not a local quarantine authority.

Health Hygiene and Infection Control Prevention Practices

The District has implemented the following practices to be adhered to by its employees for the safety of all. All employees will:

- Wash their hands with soap and water frequently for the recommended 20 seconds. This includes after touching items and surfaces, after using the restroom, coughing, sneezing, before eating or food preparation, after putting on or removing mask or face covering, and before and after using shared items.
- Wear masks or face coverings over their nose and mouth when entering the premises and at all times when on the job in common areas used by other employees and the public indoors and outdoors. Masks may be removed by employees occupying single offices while working at their desk when no one else is present. Masks may be removed by maintenance employees while working outdoors when no other people are within 30 feet. Modifications can be made for people with medical conditions or disabilities that prevent them from safely wearing a face covering so long as the modification does not create a direct threat of safety. Brief exceptions are allowed when eating or when on a break outside while maintaining a safe social distance from others.
- Always maintain a distance of 6-feet apart from other individuals while working.
- Cover their mouth and nose with a tissue or use the inside of the elbow when coughing or sneezing. Trash containers are located throughout the facility. Avoid touching the eyes, nose and mouth.
- Use hand sanitizer regularly.
- Disinfect and clean high touch items in their workspace as directed.

In addition, the District will:

- Provide face masks, gloves, hand sanitizer, tissues, trash containers, soap, disinfectant, etc. for employee use throughout the workplace and at timeclocks. **Be aware, masks will not prevent the wearer from contracting COVID-19, it is to reduce the wearer from infecting others.**
- Engage in daily cleaning and sanitizing of high touch areas and surfaces at the facilities, and deep cleaning and sanitizing when necessary.
- Limit the number of people allowed to gather in rooms and communal areas at a time.
- Use signs, tape marks, or other visual cues on the floor, placed 6 feet apart, to indicate where to stand for people in common areas and entrances.
- Install barriers for employees that interact with the public and work areas with close multiple workstations.
- Post signage encouraging proper hygiene practices.
- Take other safety measures as needed to enforce its COVID-19 related policies and procedures.
- Provide training to employees on COVID-19.

Telework may be available on a case-by-case basis for employees that must quarantine but are still able to work. This decision is at the sole discretion of the Executive Director. Requests should be made in writing to the Human Resource Manager.

Employee Infection Prevention Practices

The District has implemented the following prevention practices employees will take to protect themselves, coworkers, and the community:

- Go home if you feel sick during the workday. Stay home if you are sick before coming to work and seek medical treatment as needed. Notify your supervisor and expect to hear from the Human Resource Manager.
- Follow the Health Hygiene and Infection Control Practices above.
- Wear masks or face coverings properly. Employees can wear homemade masks as long as they meet the following criteria:
 - They must fit snugly but comfortably against the side of the face and completely cover the nose, mouth, and chin. They must include multiple layers of fabric but allow for breathing without restriction. They must be secured with ties, elastic, or ear loops. They must be able to be laundered without damage or change to shape.
 - If wearing a mask presents additional hazards or safety concerns, contact the Human Resource Manager to request an accommodation.
- Routinely clean and disinfect workspace and high touch surfaces several times throughout the day such as phone, keyboard, desk, etc.
- Avoid using other employee's phones, desks, offices, etc. when possible.
- Avoid meeting face-to-face by using the phone, email, or zoom. If meeting face-to-face is unavoidable, meet in a large room to allow for a 6 foot distance between attendees.

Process of Handling COVID-19 Symptoms and Exposure of Employees

The Human Resource Manager will be in communication with the employee to coordinate self-isolation, self-quarantine, leaves of absence, returning to work, etc. Employee cooperation will be expected. A questionnaire will be completed by the Human Resource Manager with assistance from the employee to learn more about the employee's contact with others. In the event of an employee being diagnosed with or testing positive for COVID-19, the DuPage County Health Department will be notified. The DuPage County Health Department will conduct or assist with contact tracing and provide guidance on next steps regarding notification and cleaning and disinfecting. Procedures may change as new information becomes available.

Employees who had close contact with the employee who tested positive for COVID-19 or is confirmed/diagnosed with COVID-19 will be notified and will be required to self-quarantine for 14 days from the last time they were in close contact with the infected employee as stated in the protocol for close contact above.

The Human Resource Manager, appropriate supervisor and facility manager will identify and close off all areas by the employee or person who is ill. The facility manager should arrange to open outside doors and windows where possible and as long as safe to do so to increase air circulation. If it has been **7 days or less** since the infected person was in the building, the agency will close the

area and wait 24 hours before deep cleaning and disinfecting. The District will provide applicable personal protective equipment for employee(s) assigned to perform the deep cleaning and disinfecting. A third-party vendor may be used for this purpose. If it has been **more than 7 days** since the sick person was in the building, the District generally does not need to perform a deep cleaning and disinfecting, but will follow its routine cleaning and disinfecting practices consistent with CDC/EPA guidelines. Once the area has been cleaned and disinfected appropriately, the area can open for use.

An employee may be entitled to emergency paid sick leave pursuant to the Families First Coronavirus Relief Act (FFCRA). If FFCRA leave/pay may be applicable, Human Resources will provide a request form to the employee for completion.

Human Resources will evaluate whether the employee may be entitled to traditional Family Medical Leave Act (FMLA) leave. If traditional FMLA may be applicable, the agency will give the employee a Notice of Eligibility and Rights and Responsibilities, as well as a Certification for Employee's Serious Health Condition.

WHEATON PARK DISTRICT COVID- 19 Participant Guidelines

The Wheaton Park District ("District") is dedicated to providing a safe environment for our employees, patrons, volunteers, trainers, independent contractors and vendors **a/k/a "individual"**. Therefore, the District is implementing and administering the procedures and protocols set forth as a top priority to mitigate the spread of the COVID-19 virus. These procedures and protocols are established from information provided by the Centers for Disease Control (CDC), the Department of Commerce and Economic Opportunity (DCEO) and the Illinois Department of Public Health (IDPH).

These protocols are subject to change as more information becomes available. Further, participants and patrons should understand that the guidelines below are prepared as an outline highlighting key changes where participants/patrons will have an active role rather than a comprehensive overview of each and every step the District is taking to limit the risk of potential exposure to COVID-19.

How COVID-19 Spreads

While much is unknown about COVID-19, including how it spreads, public health agencies and epidemiologists generally agree that COVID-19 spreads through respiratory droplets that are produced when an infected person coughs or sneezes and can land in the mouths or noses of people who are generally within 6 feet of one another. The droplets that remain in the air can also be inhaled into the lungs of a person walking by. Another way COVID-19 can be spread is by touching a surface or object that has the virus on it and then touching their own mouth, nose, or possibly their eyes.

Definition of "Close Contact"

The Centers for Disease Control defines "close contact" as when any individual who is within 6 feet of an infected person for at least 15 minutes starting from two days before illness onset (or, for asymptomatic patients, 2 days prior to positive specimen collection) until the time the patient is isolated. The DuPage County Health Department has stated the 15 minutes is consecutive.

Symptoms of COVID -19

People with COVID-19 can have a wide range of symptoms ranging from mild to severe illness. Symptoms typically appear 2 – 14 days after exposure to the virus. Symptoms can consist of a cough, shortness of breath or difficulty breathing, fever of 100.4 or higher, chills, fatigue, headache, congestion, runny nose, muscle or body aches, sore throat, new loss of taste or smell, nausea, vomiting, or diarrhea. This list does not include all possible symptoms.

Individuals are encouraged to seek a COVID-19 test at a state or local government testing center, healthcare center, or other testing location.

If an individual is showing any of these emergency signs, contact 911 immediately: trouble breathing, persistent pain or pressure in the chest, new confusion, inability to wake or stay awake, bluish lips or face, any other symptoms whether COVID-19 related or not that appear to be a medical emergency.

Wellness Self-Check (Applies to All Park District Programs and Facilities)

Individuals should perform a self-check for symptoms of the virus prior to arriving and/or bringing their child to a District event or program. We advise that participants' temperatures are taken at home just prior to arriving to the program or facility.

Wellness Self-Check Questions:

1. Are you or anyone in your household experiencing the following: fever of 100.4 or higher, cough, shortness of breath, sore throat, chills, muscle or body aches, fatigue, headaches (not related to caffeine, diet, hunger, migraines, or tension), new loss of taste or smell, congestion or runny nose, nausea or vomiting, and diarrhea?
2. In the last 14 days, have you or anyone in your household been in close contact with anyone that has tested positive for or been diagnosed with COVID-19 or has symptoms of COVID-19?
3. Have you or anyone in our household tested positive for COVID-19?

If the answer is "YES" to any of the above questions: You should **not** attend the program/facility and should notify one of the Wheaton Park District contacts listed below as soon as possible.

Notification of Exposure

To be able to protect everyone, we ask that individuals immediately contact the District to report any of the following conditions during the past 14 days:

- When the individual has been in close contact to someone with COVID-19 during the past 14 days,
- When the individual has symptoms of COVID-19,
- When the individual has been diagnosed with COVID-19, whether through a positive test or symptom-based diagnosis.

In the event of an individual being diagnosed with COVID-19, the DuPage County Health Department will be notified and parents/guardians/participants who had close contact with the individual diagnosed with COVID-19 will receive written notice and will be required to refrain from programming for a 14-day self-quarantine period from the date of last contact with the positive case.

When a Participant May Return

The length of time of self-isolation or self-quarantine will vary on a number of factors and will be assessed in conjunction with the DuPage County Health Department and/or the individual's treating medical provider.

Further, when an individual has COVID-19 or symptoms of COVID-19, the District will require a medical provider's note clearing the individual to return to the District (though the District reserves the right to be flexible with such notes should the healthcare system become overwhelmed). In general, however, the clearance guidelines are:

- 1) An individual has tested positive for COVID-19, has been diagnosed/confirmed with COVID-19, or has symptoms of COVID-19, may return when they meet the following criteria:

- a. Must have isolated for a minimum of 10 days* after symptom onset (or specimen collection date if asymptomatic), **AND**
- b. 24 hours with no fever without the use of fever-reducing medications, **AND**
- c. Other COVID-19 symptoms have improved (for example, cough, shortness of breath, etc.) **AND**
- d. Must provide a doctor's note clearing the individual to return to programming, OR
- e. ⁽¹⁾ 2 negative COVID-19 tests in a row, with testing done at least 24 hours apart **AND**
- f. Must provide a doctor's note clearing the individual to return to programming.

⁽¹⁾ Note, the CDC and IDPH generally no longer recommend the test-based strategy of two (2) negative tests in the majority of cases.

If at any time the medical provider confirms the cause of the fever or other symptoms are **NOT** related to COVID-19, and approves the return to programming prior to the recommended timeframes above, the individual must present a note from their medical provider **PRIOR** to their return.

- 2) An individual is asymptomatic and tests positive for COVID-19, may return when they meet the following criteria:
 - a. Must isolate for a minimum of 10 days from the date of the positive test results, **AND**
 - b. A doctor's note is provided clearing the individual to return to programming.

*A limited number of persons with severe illness or who are severely immunosuppressed may produce replication-competent virus beyond 10 days; this may warrant extending duration of isolation and precautions for up to 20 days after symptom onset or first positive test (if not symptoms).

- 3) An individual that has "close contact" with the following:
 - a. A person who has tested positive for COVID-19; or has been confirmed/diagnosed with COVID-19 may return when the following is met:
 - i. 14 days self-quarantine from the date of the last close contact;
 - b. A person who has tested positive for COVID-19; or has been confirmed/diagnosed with COVID-19 **AND** the individual can avoid further close contact may return when the following is met:
 - i. 14 days self-quarantine from when the person with COVID-19 began home isolation away from other members of the household;
 - c. A person who has tested positive for COVID-19; or has been confirmed/diagnosed with COVID-19 **AND** has had additional close contact with someone else who tested positive for COVID-19 or has been confirmed/diagnosed with COVID-19 may return when the following is met:
 - i. Restart self-quarantine for 14-days from the last day of close contact with anyone who has COVID-19. Any time a new household member gets sick with COVID-19 and close contact occurs; quarantine will need to be restarted.
 - d. A person the individual lives with tested positive for COVID-19; or has been confirmed/diagnosed with COVID-19 **AND** cannot avoid continued close contact (e.g., shared kitchen/bathroom, etc.) may return when the following is met:
 - i. Quarantine for 14 days after the person who has COVID-19 meets the criteria to end home isolation.
 - e. A person who is suspected of having COVID-19 and is waiting for test results may return when the following is met:

- i. Quarantine for 14 days from the last close contact; **OR**
- ii. The individual waiting for the test results has one negative test.

If the individual with close contact develops symptoms, they should follow isolation rules in 1) above.

If an individual had close contact with another person that had close contact with someone who tested positive or was confirmed/diagnosed with COVID-19, no quarantine or isolation is needed for the individual.

Health Hygiene and Infection Control Prevention Practices

All participants, employees, volunteers, visitors, contractors, and patrons will:

- Wash their hands with soap and water frequently for the recommended 20 seconds. This includes after touching items and surfaces, after using the restroom, coughing, sneezing, before eating or food preparation, after putting on or removing mask or face covering, before and after using shared items.
- Wear masks or face coverings over their nose and mouth when entering the premises and when in the presence others. This includes common areas such as hallways, stairways, restrooms, classrooms/programming space, waiting areas, bleachers. Modifications can be made for people with medical conditions or disabilities that prevent them from safely wearing a face covering so long as the modification does not create a direct threat of safety for others. Brief exception for participants wearing masks or face coverings are made when eating, playing a wind instrument, or when outside. During these periods, participants will be required to adhere to social distancing.
- Maintain a distance of 6-feet apart from other individuals. However, personal trainers must maintain 10 ft. distance while training clients.
- Cover their mouth and nose with a tissue or use the inside of the elbow when coughing or sneezing. Trash containers are located throughout the facility. Avoid touching the eyes, nose, and mouth.
- Use hand sanitizer regularly.

In addition, the District will:

- Engage in daily cleaning and sanitizing of high touch areas and surfaces at the facility, and deep cleaning and sanitizing when necessary.
- Limit the number of people allowed to gather in rooms and communal areas at a time.
- Use signs, tape marks, or other visual cues on the floor, placed 6 feet apart, to indicate where to stand for people in common areas and entrances.
- Install barriers for employees that interact with the public and work areas with close workstations.
- Post signage to encourage proper hygiene practices.
- Take other safety measures as needed to enforce its COVID-19 related policies and procedures.

Pick-up Protocol

If an individual exhibit any of these symptoms while attending a program/facility, the individual will be directed to wait in an isolated outdoor area. If inclement weather makes this unsafe, the individual will be directed to an isolated area inside and away from others. At all times, the minor individual will be supervised. The parent/guardian will be called and must pick-up their child within thirty (30) minutes of notification. The parent/guardian should wait at the designated pick-up area. Transportation will not be provided for participants.

COSLEY FOUNDATION

AUGUST BOARD MEETING
FUNDRAISING UPDATE

Board Agenda

- Fall 2020 Fundraising Strategy
- Building Operating Support Tactics
- Progress Update
- Discussion of Messages to Share

FALL 2020 CAPITAL CAMPAIGN & FUNDRAISING STRATEGY

Pause

Pause Capital Campaign Fundraising

- Unlikely donor community will be interested in new projects like the campaign, when too much uncertainty in economy and community.
- Restart campaign when there is stability with pandemic and economy likely spring/summer 2021.

Focus Scope & Scale

Focus Scope & Scale of Campaign

- Officially phase the campaign to focus on just the parking lot in this phase.
- Identify cost to move forward with detail design and construction documents for parking lot, so project is “shovel-ready” and gives urgency to donors to make pledge payments.

Prioritize Operating Support

Prioritize Generating Annual Operating Support for Cosley

- The pandemic creates a compelling case for unrestricted operating support to make up lost revenue.
- Allows Cosley to continue building donor base of \$1,000 to \$25,000 donors to support future capital needs.

Building Operating Support Strategies

- Challenge Gift
 - Secured \$75,000 gift to motivate other donors
- Identify “cases for support” help donors understand what they are “funding” with operating gifts
 - \$100 – One week of animal medications
 - \$250 – One month of animal enrichment program cost
 - \$250 – Supplies of Blanding Turtles Project (1 month)
 - \$500 – Month of Hay for Animals
 - \$1,000 – 10 days of Animal Food
 - \$2,500 -- Animal Supplies (1 month)
 - \$5,000 – Animal Welfare Program (3 months)
- Leadership \$1,000+ Annual Giving Society
 - Cultivation and recognition effort
 - Builds pool for major gifts
 - Rollout with November Appeal

Goals for Fundraising

- Securing 100% of existing pledge campaign commitments due in 2020 – approximately **\$88,533**
- Securing the four-year average for annual giving through appeals and personal outreach – approximately **\$75,000-\$100,000** (beyond challenge gift)
- - Doubling the number of year-end donors from **approximately 75 to 150 donors** through social media and other awareness building efforts
- - Launching a leadership annual giving program of \$1,000+ donors – securing **approximately 20 \$1,000+ donors for operations**

Progress Update

(See Handout)

- **Relationships Building** -- We reconnected with 18 Cosley Zoo donors via zoo visits, phone calls, emails, texts and home visits, checking in to see how they were faring and providing them with an update re. the zoo's successful and safe reopening. A few key highlights:
 - **Supporters continue to see the value of the Cosley Zoo mission, even during these challenging times.**
 - Pledge donors are committed to making their payments this year.
 - Hinsdale Junior Woman's Club invited Cosley Zoo to apply for a grant. Sue and Cathy are working on an application for a \$10,000 to \$15,000 request in support of the purchase of new animal caging for the zoo's educational animals.

Discussion about Messages to Share

(See Handouts)

Cosley Zoo Talking Points

- Small, family-friendly zoo that serves up to 170,000 visitors per year – a unique community gem for residents of DuPage County and beyond!
- Exhibits more than 200 native Illinois wildlife and domestic farm animals.
- At its core, the zoo is a conservation organization.
- For example, our flagship Blanding's Turtle Recovery Project has been part of raising and releasing more than 3,000 endangered turtles into the wilds of DuPage County.

Update on Campaign

- The zoo is thoughtfully and intentionally putting its capital campaign fundraising efforts on pause.
- Refocusing our efforts on Cosley Zoo's greatest need today – operating support.
- Nevertheless, your gifts to the campaign will be actively utilized to move the project along this year.

Importance of Operating Support

- The zoo successfully reopened in early July. The community response has been very positive!
- During this time of great uncertainty, the community's financial support is critical to keeping Cosley Zoo open and operating and remaining an impactful community asset for generations to come.
- Cosley Zoo needs your help because the animals still need to be fed and properly cared for and the educational programming continues to be important to the growth of our children -- providing unique opportunities for them to connect to our natural world in meaningful ways.

SAFETY IS OUR PRIORITY

We are committed to maintaining the health and safety of our participants, staff, vendors and community members.

COVID SAFETY & PARTICIPANT GUIDELINES

- Face masks are required upon entry to and in all common areas of buildings and at service touchpoints such as customer service desks. These locations include Community Center, Cosley Zoo, Parks Plus Fitness Center, Clocktower Mini Golf & Skate Park, DuPage County Historical Museum, Mary Lubko Center, and Arrowhead Golf Club.
- A minimum of six feet of social distancing is required at all of our indoor and outdoor facilities.
- Frequent hand washing and regular use of hand sanitizer are strongly recommended. Wash your hands often with soap and warm water for at least 20 seconds, especially after going to the bathroom, before eating, after blowing your nose, coughing or sneezing.
- Hand sanitizing stations are available in and around facilities for your use.
- Gatherings of more than 50 people are to be strictly avoided. Limit gatherings in common areas of facilities, on sports fields and playgrounds.
- When applicable, please bring your own equipment (towel, mat, golf clubs, etc.) and water bottle for use during visits.
- Please stay home when you are sick or experiencing symptoms of respiratory illness with fever, cough and difficulty breathing.
- Avoid contact with others that are sick or experiencing COVID-19 like symptoms.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash and wash hands.
- Some facilities now require reservations or timed tickets for entry to help assist with social distancing. Please visit facility websites prior to your visit.
- Hours of operation have been altered for most facilities to accommodate for additional cleaning and sanitizing.
- In addition to regular maintenance, the park district has enhanced cleaning and disinfecting procedures for frequently touched objects and surfaces. Parks Plus Fitness Center equipment will be disinfected continuously but it's important to wipe equipment down before using it and again after using it.
- All park district staff is required to complete a wellness check questionnaire to ensure they are not experiencing COVID-like symptoms before starting their work shift.

Please review the COVID-19 Participant Guidelines at wheatonparkdistrict.com/covid-19 before visiting a facility or attending a program.

**This year will be different at school, in our community, and at play,

VOLLEYBALL — WINTER COREC ▶ LEVEL 2

This league emphasizes fundamentals, skill development, teamwork, sportsmanship and fun. At this age level, participants play on age-appropriate nets and use softer volleyballs. Everyone is guaranteed to play an equal amount of time because there is no substitution (substitution is on rotation). Practice is once a week for an hour, along with one game per week. Practices and intra-team scrimmages will be held between the times listed below. Practice times are selected by the volunteer coaches. Coaches will contact players following the coaches meeting in early January. Intrateam scrimmages are played on Monday nights between 6-9P. All players must wear gym shoes; participants receive team t-shirts. Anyone interested in helping as a coach or assistant coach should call 630.690.4880. All participants must preregister, including those whose parents are volunteer coaches. Register early, as this league is expected to fill quickly. (DH)

WHEATON WOLVERINES

LACROSSE

WHEATON WOLVERINES LACROSSE: LEVEL 1 TOP FLIGHT UNIVERSITY

Now being played on most college and high school campuses across the country, Lacrosse has exploded in popularity! Athletes of all abilities are encouraged to play lacrosse this fall. Newbies and experienced players will all be challenged by the professional coaches at New Wave Lacrosse. This in-house program encourages skill development, high repetitions, positional work and fun. Our 60-minute practice itineraries are tailored to ensure players are focused, engaged and learning from start to finish.

All players will benefit from:

- Low player to coach ratio
- Quality, consistent instruction
- Structured itineraries to encourage player development
- Small-sided competitions and intrateam scrimmages

New Wave Lacrosse is here to answer your questions and will send out "Welcome Letters" prior to the start of the season. Please contact Director Alek Szmajda (Alek@newwavelax.com) with any questions or concerns. Rental gear will be available prior to the start of the program. (DH)

Theme: Dinosaur Dynasty

Travel back in time to the land of the lost as we celebrate our favorite topic – dinosaurs! Each day students will use a step by step method of shapes and lines to create impressive and frame-worthy art. We'll use colored pencils, Sharpies and markers, and bring the dinosaurs alive with color and humor.

LINE DANCE AT ANY AGE

Would you like to dance, but don't have a partner? No problem! Line dancing is a pattern of steps done over and over again throughout the course of a song which individuals can do without a partner. We'll dance to country music plus other types. All the steps will be thoroughly explained. You'll develop your inner dancer, gain confidence, and make lifelong friendships in a safe and personal environment. Wear smooth-soled shoes; no experience necessary (depending on the level of class you select). Supplemental online instruction available; taught by Dance With Janet. (MW)

50+ BALANCE, STRENGTH & STRETCH

Improve balance and ward off osteoporosis in this relaxing yet challenging class. Using light resistance, we'll strengthen the body and focus on "functional fitness". Stretching exercises complete this great workout.

BODY SCULPT

Firm and strengthen your entire body in our ever-popular weight training class. You'll use a variety of resistance (hand weights, tubing, bands, etc.) to challenge the muscles and create that toned body you've always dreamed of!

BOOT CAMP

A challenging class that uses HIIT (high intensity interval training). Drills will alternate between high and low intensity moves. Modifications given. All levels of fitness welcome.

CARDIO CORE CHALLENGE

This intermediate/advanced class uses high-intensity aerobic moves and full-body, core-strengthening intervals. We'll use a variety of equipment! Some choreography involved and modifications are provided.

CARDIO MIX

Burn calories in this easy-to-follow, low-impact cardio class. Core work and stretching complete this great workout; modifications provided.

CORE FLOW

This dance-inspired class strengthens the entire body with emphasis on the abdominal area. No previous dance experience required...just a love of movement!

F.A.T.

Get F.A.T. with Parks Plus. In this class, you'll work to "Firm And Tighten" your muscles pushing their endurance and strength beyond what you ever thought they could do.

GENTLE YOGA

New to yoga or have limitations? Increase your strength and flexibility while improving the mind/body connection.

POWER SCULPT

This intermediate/advanced strength training class incorporates full-body movements that challenge the muscles as well as the cardio system. Experience this dynamic conditioning class that focuses on developing total body power.

SPIN*

This cycling class gets you working harder than you ever thought possible in a group exercise class. Be inspired by the music and instructor who leads you through aerobic endurance intervals – a series of flats, hills, strength, and speed plays.

YOGA LEVELS 1-2

Start with what you're able to do, then advance at your own pace using slow, controlled movements to strengthen and stretch your muscles through a series of poses called asanas. Relieve stress and calm the mind by learning deep-breathing exercises and relaxation techniques.

YOGALATTES

Get the best of mind/body workouts with this class that incorporates the best moves from yoga and pilates. Class is taught at an intermediate level, but modifications are given to challenge beginner to advanced students.

ALL CLASSES ARE 45 MINUTES

*Location is outdoors on Rice Pool Deck through 10/30/20.

CLASS LOCATIONS VARY. SEE SCHEDULE ON PAGE 29.

THE HIDDEN HALF: WOMEN IN HISTORY, RECORDS, AND YOUR FAMILY VIRTUAL

Wednesday, September 16 | 7P | Virtual Programming on Zoom
Free Event

The Museum and DuPage County Genealogical Society present Liz Ross, speaking on the hidden half. Women make up about 50% of the population but seem to present about 85% of the difficulties for genealogists. They are almost invisible legally, they change their surname at marriage, and in old age disappear into their children's household. Yet, often, these very things assist the genealogist in tying together the generations and building the family both up and out. Register at dcgs.org.

ALICE PAUL: WINNING VOTES FOR WOMEN*

Saturday, October 17 | 1P | Museum Auditorium | Free Event

Leslie Goddard portrays Alice Paul, the dynamic women's suffrage leader who pioneered radical techniques to get women the vote. This event is presented by the DuPage County Historical Society for their annual meeting. Seats limited, registration required. To register, go to dupagemuseum.org/events.

VOTES FOR WOMEN: THE 72-YEAR STRUGGLE * FOR WOMEN'S SUFFRAGE

Saturday, October 24 | 1P | Museum Auditorium | Free Event

Explore the long struggle for suffrage with Leslie Goddard, from 1848 – when the first call was issued at Seneca Falls – to 1920, when women finally earned the right to vote. In the ensuing years, women worked tirelessly, giving speeches, writing letters and petitions, gathering signatures by the thousands, and persevering in the face of strident opposition. *Event cohosted by League of Women Voters of Wheaton and Wheaton Public Library.* Seats limited, registration required. To register, go to dupagemuseum.org/events.

WOMEN'S SUFFRAGE BROWN BAG LUNCHEON*

Thursday, October 29 | 12P | Museum Auditorium | Free Event

League of Women Voters of Central Kane County members Lynn and Llona Steele will provide short backgrounds on several prominent women's suffrage leaders and then turn the focus onto the suffrage movement

in Illinois. They will march with the Suffragists to the passage and ratification of the 19th Amendment and then move through the formation of the League of Women Voters and chapter activities in this area. Seats limited, registration required. To register, go to dupagemuseum.org/events.

*In the event that the program is converted to Zoom, participants will be notified.

PEOPLE TRAINING DOGS CONTINUED

This five-week class is designed to strengthen your dog's on-leash skills and prove basic level obedience commands already learned in the previous class. This class will begin the move toward off-leash control by adding more distance, duration, and distractions to your stationary exercises. New commands will include: stand, formal finish, moving sit and down, and hand signals for commands. This class is only open to Roc Solid Obedience clients that have completed our basic six-week class. (MW)

RESIDENT I.D.

The Wheaton Park District provides programs and services for the residents of the Wheaton Park District at a lower rate than charged to nonresidents. Proof of residency within the Wheaton Park District is necessary in order to use facilities at resident rates. A Wheaton Park District Universal Resident Photo I.D. is required to receive resident rates at the following facilities: Arrowhead Golf Club (green fees) | Cosley Zoo | Northside Family Aquatic Center | Open Gym | Clocktower Mini Golf & Skate Park | Rice Pool & Water Park

HOW TO APPLY FOR A WHEATON PARK DISTRICT PHOTO I.D.

Residents must visit the Community Center (1777 S. Blanchard St.) to provide proof of residency. Proof of identity as well as park district residency is required when applying for a Universal ID. A current, state issued photo ID which reflects an address in Wheaton will cover both requirements. However, if the ID does not reflect a current address, a recent tax bill or utility bill may be used to document residency.

WARNING OF RISK

Recreational activities/programs are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity/program. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers and injuries due to inclement weather, slipping, falling, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and all other circumstances inherent to indoor and outdoor recreational activities/programs do exist. In this regard, it must be recognized that it is impossible for the district to guarantee absolute safety. Participants registering for strenuous activities are encouraged to seek a physician's approval.

ACCOMMODATION FOR PERSONS WITH DISABILITIES

Americans with Disabilities Act Compliance Officer | Mike Benard 630.510.4945 | mbenard@wheatonparks.org

Persons with disabilities are encouraged to contact the park district at **630.690.4880** regarding special accommodation needed for enjoyment of park district programs. Those who use the Telecommunications Device for the Deaf (TDD) may reach the park district through the Illinois Relay Center seven days a week at **800.526.0844**.

SAFETY EMERGENCIES

Any dangerous situation should be reported immediately to the police by calling 911. The police department will contact the park district to make us aware of the situation.

ACTIVE DUTY MILITARY & VETERAN DISCOUNT PROGRAM

Any and all active duty military personnel and veterans are eligible for a 10% discount on the following services and/or facilities*:

- Cosley Zoo Membership
- DuPage County Historical Museum Membership
- Parks Plus Fitness Center Membership
- Aquatic Center Daily Admission
- Clocktower Mini Golf Daily Admission
- Arrowhead Golf Club Wedding Package (for military or veteran bride or groom only)

*Active duty military personnel and veterans must provide valid military ID or discharge paperwork at time of purchase. Military discount cannot be combined with any other discount offerings/promotions. Memberships must be purchased at the participating facility.

ATHLETIC FIELD USE GUIDELINES

We are all committed to provide high quality, safe playing surfaces for our multi-use athletic facilities, but we need the help and consideration of all user groups in protecting the turf from excessive damage due to game and practice activities. The turf grass is the safety surface for the athletic fields. If any of the following conditions occur, scheduled games and practices must be canceled or postponed:

1. Standing water on the field of play
2. Soil saturation
3. Extreme drought conditions where 50% of the playing surface has turned dormant
4. Audible thunder or visible lightning
5. Visibility (darkness)

INHOUSE ATHLETIC (NON-BOARD) LEAGUE TEAM FORMATION GUIDELINES

Wheaton Park District Athletic Department personnel will use the system below to equitably form Inhouse Athletic League Teams. Please note requests are not guaranteed.

- Volunteer coaches' children will be placed first (limit 2 official coaches per team; one head coach and one assistant coach).
- When registering, participants can select their top friend or coach request. (Limit 1)
- When registering, participants can select a secondary friend or coach request, in the event the first request cannot be accommodated. (Limit 1)
- Participants will then be placed on teams by the school they attend.
- Finally, participants will be placed by geographic location. For example, schools near one another; Northeast, Northwest, Southeast or Southwest quadrants of Wheaton or surrounding communities closest to these quadrants.

When forming teams, the Athletic Department will make every attempt not to exceed double the number of participants that can play on the court or field at one time. For example, five players play at one time on the basketball court, so the team roster will not exceed 10 players.

Note: Requests are not guaranteed. If two players have the same request and only one request can be granted, we will grant the request to the first person to register, based on the date and time of registration.

NONEMERGENCY CITIZEN CONCERNS

To report a nonemergency citizen concern or safety issue, please complete the form at wheatonparkdistrict.com/contact; this form is also available at the front desk of the Community Center, Administration Office, Parks Plus Fitness Center, Park Services Center, Lincoln Marsh, Arrowhead Golf Club, and Cosley Zoo. If you have questions about a concern or would like to speak with someone directly, please call 630.653.5429, Monday-Friday from 7A to 3P.

MOVIE TICKETS

Available at the Community Center and DuPage County Historical Museum
• Studio Movie Grill tickets: \$7.50/each. Not valid for online sales.*

*Proceeds benefit the Leisureship Program and the DuPage County Historical Museum.

Public documents related to the Wheaton Park District are available at any time. Freedom of Information Officers listed below are available to assist the public with obtaining access to documents they wish to review. In many cases, the information will be available on our website wheatonparkdistrict.com via our Transparency Portal or via wheatonparkdistrict.opengov.com (see below for details). Your need for public information can typically be met informally.

- To formally request information under the Freedom of Information Act, visit this link: <https://wheatonparkdistrict.com/FOIA>

How the Process Works

After a FOIA Request submission is received, the Chief FOIA Officer or Deputy will respond within five (5) business days with the requested materials unless a request is denied or an extension is required. The public has a right to information produced by their government with certain privacy limitations (5ILCS 140/1). When you submit a FOIA request, your information becomes public record and your request as well as our response will be posted on our website.

- A copy of fees are available on the website at <https://wheatonparkdistrict.com/FOIA>

GIFT CARDS

You may "purchase" recreation programs with a gift card. Gift cards can be purchased for any amount at Wheaton Park District Administration Office, at the Community Center, Cosley Zoo, and at Arrowhead Golf Club. **Refunds and exchanges are not given on gift cards.** For details, call 630.690.4880.

PHOTOS

The Wheaton Park District takes photographs or video of participants for promoting our programs, services, events, activities, and facilities in our program guides, website or agency social media, etc. By participating in or attending any Wheaton Park District activities the participant (or parent/guardian of a minor participant) agrees to the use and distribution of his or her image (or images of a minor child/ward) in photographs, video recordings, and any other electronic reproductions of such activities for any purpose without inspection, compensation, or any other consideration now and in the future.

PARK RENTAL

The Wheaton Park District offers a wide variety of park rentals that are open from sunrise to dusk. Our parks and facilities are the perfect place to host your next event. Some parks require a security deposit in order to secure the park and receive a park permit for any given day. A permit is not guaranteed until payment is received. Once payment is received the permit will be issued and must be kept with the person renting the park at all times during the specified time period. Photo Permits are also available. For more information, or to rent a park or facility, please contact the Park Service Center at 630.653.5429 or e-mail parkrentals@wheatonparks.org at least one week prior to your event. For information on baseball or soccer field use, please contact the Recreation Department at 630.668.3371.

Phone registration is not accepted.

VIRTUAL PROGRAM DETAILS

Upon registration, you will receive further directions on how to access your program.

IMPORTANT INFORMATION REGARDING EMAIL BLASTS

In a continued effort to support our environment, the Wheaton Park District is contacting participants by email regarding pertinent program information. It's important that we have your current email address on file. Please stop in or call the Community Center at 630.690.4880, or you can log onto our website at wheatonparkdistrict.com and follow the registration link to update your household information. Also, if you are new to our system, please check your email "junk" folder to make sure that our emails are reaching you.

COVID-19 PARTICIPANT & STAFF GUIDELINES

Participants, employees, volunteers, visitors and contractual staff must wear masks or face coverings over their nose and mouth when entering facilities/programs and when unable to maintain a 6-foot distance from others. Exceptions can be made for people with medical conditions or disabilities that prevent them from safely wearing a face covering. Exemption for participants wearing masks or face coverings are made when eating, playing a musical instrument, or when outside and able to maintain a safe social distance of 6-feet or greater.

More information can be found at wheatonparkdistrict.com/covid-19/

Please do not attend and in-person program if you or someone from your household is experiencing COVID-19 like symptoms.

PLEASE REVIEW OUR COVID PARTICIPANT GUIDELINES BEFORE ARRIVING TO YOUR FIRST PROGRAM.

CUSTOMER SERVICE

During this unprecedented time we are quickly adapting our programming and offerings to follow the guidelines set forth by the CDC, IDPH, and State of Illinois. If you are not satisfied, we appreciate your comments, ideas, and suggestions on how we can continue to improve our recreational opportunities to the public. Please contact the Community Center at 630.690.4880 if you have programming feedback or suggestions on how we can make the customer service experience better for our community.

CODE OF CONDUCT

- **Equal Access:** No participant shall, on the basis of race, sex, creed, national origin or disability, be denied equal access to programs, activities, services or benefits, or be limited in the exercise of any right, privilege, advantage, or opportunity.
- **Behavior:** Participants, parents, volunteer coaches and board members for youth sports leagues are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to make park district programs safe and enjoyable for all participants. Additional rules may be developed for particular programs and athletic leagues as deemed necessary by staff. Staff, participants, parents, volunteer coaches, and board members for youth sports leagues shall:
 - show respect to all participants, staff, and volunteers
 - refrain from using foul language
 - refrain from causing bodily harm to other participants, parents, staff, coaches, and any board member for youth sports leagues
 - show respect for equipment, supplies, and facilities
 - represent the Wheaton Park District in a manner that is consistent with the goals, objectives, and ethics of the park district
- **Discipline:** A positive approach will be used. The Wheaton Park District reserves the right to dismiss a participant, parents, volunteer coach, or any board members of a youth sports league if it is in the best interest of the park district. **Each situation will be evaluated on its own merit.**

LEISURESHIPS (FEE ASSISTANCE)

The Wheaton Park District provides reduced fee and fee assistance programs for qualified residents through our Leisureship program. We currently offer assistance for the following:

Pool passes | Short-term fitness memberships | Eligible early childhood, youth, family, & adult programs*

Confidential application forms are available at the Community Center (1777 S. Blanchard St.), the DuPage County Historical Museum (102 E. Wesley St.), and at wheatonparkdistrict.com. For more information, call 630.690.4880.

MILTON TOWNSHIP YOUTH COMMITTEE'S FAMILY YOUTH SCHOLARSHIP FUND

This program can help fund a child's related goods and services beyond what the Wheaton Park District can provide. A referral for additional leisureship assistance is available to qualified resident children under 18. Contact the Milton Township Youth Committee at 630.690.9036 for more information.

*Arrowhead Golf Club services are excluded from leisureship assistance.

EDUCATIONAL ENRICHMENT OPPORTUNITIES

For more enrichment opportunities, see the Museum's virtual and in-person programming this fall at dupagemuseum.org/calendar. Events on topics such as local DuPage history and women's suffrage compliment many different curriculums. Many of these programs are free, but advance registration is required.

VIRTUAL FIELD TRIPS WITH THE MUSEUM

Plan a highly customizable field trip on a theme that fits your curriculum. Museum professionals virtually present an interesting and interactive Zoom program featuring artifacts and up-close exhibit tours. Optional add on for a craft element may be possible with common household supplies or supplies picked up from Museum. Visit dupagemuseum.org/schools-scout-groups/ for a list of possible themes and options. Contact Michelle Podkova for more information. Fees may vary, most one-hour programs \$4 per student. In-person field trips available for groups less than 25.

VIRTUAL MUSEUM TOURS

Enjoy a virtual and interactive tour of the Museum with a knowledgeable docent. Questions are encouraged to be asked as the tour progresses to facilitated more personalized learning. Tours can be customized to one or two exhibits or can include the entire Museum. Additional option of adding Museum building history is available. Fees of \$2 per student for 45-minute tour.

VIRTUAL ARCHITECTURAL WALKING TOURS

Take a virtual stroll through downtown Wheaton learning the history and architectural importance of the buildings that surround us every day. Tour is interactive allowing students to ask questions and focus the tour to their group interests. Fees of \$3 per student for a 75-minute tour.

IN-PERSON MUSEUM TOURS

Classes can visit the Museum in groups of less than 25 for an in-person tour. Tours are \$2 per student for a 45-minute tour. Focus on one exhibit or see the whole building. Masks required.

IN-PERSON ARCHITECTURAL WALKING TOURS

Stroll through downtown Wheaton learning the history and architectural importance of the buildings that surround us every day. Fee is \$4 per student for a 75-minute tour. Groups of 40 or less.

HOW TO REGISTER

ONLINE REGISTRATION

The fastest way to register is online at wheatonparkdistrict.com. Log in and register for the classes of your choice. You must have your user ID and password to gain access to the registration system.

IN-PERSON REGISTRATION

1. Registration dropped off at the Community Center Front Desk **prior** to the start of registration will be processed in random order as of the registration start date.
2. Stop in at the Community Center, 1777 S. Blanchard St., or at the Administration Office (located at the DuPage County Historical Museum), 102 E. Wesley St., to enroll in person. Registration begins September 4 for both resident and nonresident registration. After hours drop-off boxes are located outside these two facilities.
3. The Park District reserves the right to cancel programs due to insufficient registration. Because of early publication dates, the Wheaton Park District reserves the right to make changes to the programs listed in the publications.
4. For insurance purposes, participation in Wheaton Park District Programs require a signed waiver. Please sign the waiver section on the registration form and when applicable on the youth athletic program forms.

Phone registration is not accepted.

VIRTUAL PROGRAM DETAILS

Upon registration, you will receive further directions on how to access your program.

IMPORTANT INFORMATION REGARDING EMAIL BLASTS

In a continued effort to support our environment, the Wheaton Park District is contacting participants by email regarding pertinent program information. It's important that we have your current email address on file. Please call the Community Center at 630.690.4880, or you can log onto our website at wheatonparkdistrict.com and follow the registration link to update your household information. Also, if you are new to our system, please check your email "junk" folder to make sure that our emails are reaching you.

PLEASE REVIEW OUR COVID PARTICIPANT GUIDELINES BEFORE ARRIVING TO YOUR FIRST PROGRAM.

COVID-19 PARTICIPANT & STAFF GUIDELINES

Participants, employees, volunteers, visitors and contractual staff must wear masks over their nose and mouth when entering facilities/programs and when unable to maintain a 6-foot distance from others. Exceptions can be made for people with medical conditions or disabilities that prevent them from safely wearing a face covering. Exemption for participants wearing masks or face coverings are made when eating, playing a musical instrument, or when outside and able to maintain a safe social distance of 6-feet or greater.

More information can be found at wheatonparkdistrict.com/covid-19/

Please do not attend and in-person program if you or someone from your household is experiencing COVID-19 like symptoms.

CUSTOMER SERVICE

During this unprecedented time we are quickly adapting our programming and offerings to follow the guidelines set forth by the CDC, IDPH, and State of Illinois. If you are not satisfied, we appreciate your comments, ideas, and suggestions on how we can continue to improve our recreational opportunities to the public. Please contact the Community Center at 630.690.4880 if you have programming feedback or suggestions on how we can make the customer service experience better for our community.

CODE OF CONDUCT

- **Equal Access:** No participant shall, on the basis of race, sex, creed, national origin or disability, be denied equal access to programs, activities, services or benefits, or be limited in the exercise of any right, privilege, advantage, or opportunity.
- **Behavior:** Participants, parents, volunteer coaches and board members for youth sports leagues are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to make park district programs safe and enjoyable for all participants. Additional rules may be developed for particular programs and athletic leagues as deemed necessary by staff. Staff, participants, parents, volunteer coaches, and board members for youth sports leagues shall:
 - show respect to all participants, staff, and volunteers
 - refrain from using foul language
 - refrain from causing bodily harm to other participants, parents, staff, coaches, and any board member for youth sports leagues
 - show respect for equipment, supplies, and facilities
 - represent the Wheaton Park District in a manner that is consistent with the goals, objectives, and ethics of the park district
- **Discipline:** A positive approach will be used. The Wheaton Park District reserves the right to dismiss a participant, parents, volunteer coach, or any board members of a youth sports league if it is in the best interest of the park district. **Each situation will be evaluated on its own merit.**

LEISURESHIPS (FEE ASSISTANCE)

The Wheaton Park District provides reduced fee and fee assistance programs for qualified residents through our Leisureship program. We currently offer assistance for the following:

Pool passes | Short-term fitness memberships | Eligible early childhood, youth, family, & adult programs*

Confidential application forms are available at the Community Center (1777 S. Blanchard St.), the DuPage County Historical Museum (102 E. Wesley St.), and at wheatonparkdistrict.com. For more information, call 630.690.4880.

MILTON TOWNSHIP YOUTH COMMITTEE'S FAMILY YOUTH SCHOLARSHIP FUND

This program can help fund a child's related goods and services beyond what the Wheaton Park District can provide. A referral for additional leisuership assistance is available to qualified resident children under 18. Contact the Milton Township Youth Committee at 630.690.9036 for more information.

*Arrowhead Golf Club services are excluded from leisuership assistance.
