WHO PUTS ON WHEATON BREW FEST

Wheaton Brew Fest is an event put on by Wheaton Park District and CASA of DuPage. For more information please visit, wheatonbrewfest.com

WHO DOES THIS EVENT BENEFIT

Wheaton Brew Fest proudly partners with CASA of DuPage. A portion of the proceeds benefits CASA of DuPage, other proceeds the DuPage County Historical Museum Foundation. Who doesn't like drinking for a good cause?

IS THIS AN ADULT ONLY EVENT

This is strictly a 21 and over event. Everyone entering the fest must present a valid government issued ID. Absolutely no strollers or babies in carriers, there are no exceptions. Come enjoy an awesome parent's day out!

CAN I BRING MY DOG

Unfortunately, no dogs are allowed into the fest. Plus, dogs shouldn't drink beer and bringing a dog around a bunch of beer drinkers is just cruel.

CAN I BRING MY OWN BEVERAGES

No outside food or drinks are allowed inside the festival – this includes bottled water. Once inside the fest water will be provided for drinking and rinsing your glass. Soda and water are available for sale.

WHAT IF IT RAINS

Wheaton Brew Fest is a rain or shine event. You can sing in the rain, trust me you can drink in it too!

WHY ARE THERE DRINK PASSES

This is a regulatory measure to keep in compliance with Illinois liquor laws. Wheaton Brew Fest ticket holders will receive two 16 taste passes. Each drink ticket can be exchanged for a 2oz sample. You will get the first one when you walk in, fill it up and still sober? Pick up your second taste pass from the ticket booth.

WHAT BEER WILL BE THERE

Wheaton Brew Fest will connect beer lovers with over 80 different types of beer with a wide range of variety to expand even the biggest craft beer expert's pallet. Check out wheatonbrewfest.com for more information on breweries.
