**Project:**

2013 Asphalt Projects  
Attens Park / Seven Gables Park  
Wheaton, IL

**Proposal date:** October 21, 2013

Steve,

Below you will find the costs for undercutting and replacing unsuitable soils per the proof roll observed by Oz Engineering on October 21, 2013. A map has been attached identifying the locations of the undercuts.

Please let me know if you require any additional information.

**Atten Park (East Lot)**

- Remove 9" of unsuitable soils and replace with ca-1.
  - o 180 cy @ \$88.70 per cy = **\$15,966.00**
- Remove 9" of pulverized material and re-install above ca-1.
  - o 180 cy @ \$23.15 per cy = **\$4,167.00**

**Total Cost = \$20,133.00**

Includes:

- Undercuts (remove spoils & install 3" stone) = \$88.70 per cy .

Prepared by:

*Michael J. Nelson*

Michael Nelson – Project Manager

Note: Above terms may be withdrawn by Abbey Paving if not accepted within 45 days.

**Acceptance of Change Order**

By signing this agreement I accept the above prices, specifications and conditions. Abbey Paving is authorized to complete the work as specified and will be paid according to terms above.
