Project:

2013 Asphalt Projects
Attens Park / Seven Gables Park
Wheaton, IL

Proposal date: October 11, 2013

Steve,

Below you will find the costs for undercutting and replacing unsuitable soils per the proof roll observed by Oz Engineering on October 7, 2013 & October 9, 2013.

Please let me know if you require any additional information.

Atten Park (undercut)

- Remove 9" of unsuitable soils and replace with ca-1.
 - o 45 cy @ \$88.70 per cy = **\$3,991.50**

- Remove 9" of pulverized material and re-install above ca-1.
 - o 45 cy @ \$23.15 per cy = **\$1,041.75**

Total Cost = \$5,033.25

Includes:

- Undercuts (remove spoils & install 3" stone) = \$88.70 per cy
