Proposal

In an effort to provide you with a detailed and clear proposal, we have included a list of components to be considered for the design of your Melrose Pyrotechnics display. Please take a moment to review our show design concepts and proposed pyrotechnic effects.

Opening Segment

The opening scene of your show is one of the most important segments of the display. Whether you choose a traditional display or a pyromusical, our design team members are masters at tailoring your opening segment to thrill your audience from the very first shot. Your audience will be captivated immediately, as we set the tone, pace, and feel for the rest of the program. This is traditionally established through a barrage of multi-shot effects paired with an assortment of aerial shells.
