

Community Center Parking Lot & Pedestrian Safety Improvements

Renovations begin August 21, 2023

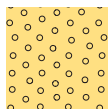

Asphalt, sidewalks and curbs will be replaced around the building's main and northwest entrances.

Improvements to pedestrian safety and vehicular traffic flow are also part of the project.

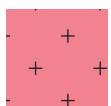

Phase 1 (8/21/23-9/10/23): Northwest parking lot, curb, sidewalk. Northwest entrance to the building will be closed. Partial closure to main entrance from Blanchard.

Phase 2 (9/11/23-9/24/23): Sidewalk and curb removal/replacement. Main entrance to the building will be closed.

Phase 3 (9/25/23-10/15/23): Parking lot. Partial closure of main entrance from Blanchard.

Phase 4 (10/16/23-11/12/23): Parking lot.
