Re: Letter of Authorization

By this letter, we hereby authorize Vision96, LLC (V96) and ET AL to act on our behalf for Wheaton Park District to:

1. Receive account and login information;
2. Access our billing and contract information; and
3. Act on our behalf regarding all services, billing and online-related issues.

We authorize you to supply V96 with what it requests directly, rather than routing such matters through us.

Your assistance and cooperation is appreciated.

This authorization shall remain in effect until revoked.

Sincerely,

Mike Benard
