

FILMING LICENSE AGREEMENT

THIS AGREEMENT (Agreement) is made and entered into as of this 2nd day of August, 2024 (“Effective Date”) by and between the Wheaton Park District, an Illinois park district and unit of local government (“Grantor” or “District”), and Catalina Content, LLC, a Delaware limited liability company (“Grantee” or “Producer”). Grantor and Grantee are hereinafter sometimes individually referred to as a “Party” or collectively as “Parties.”

WHEREAS, Grantor is the owner, in fee simple, of certain real property located at 26W151 Butterfield Rd., Wheaton, IL 60189, and commonly known as Arrowhead Golf Club (the “Property”); and

WHEREAS, Grantee wishes to use portions of the Property as a filming location in connection with the production currently entitled “Bridezillas” (the “Program”); and

WHEREAS, Grantee has requested that Grantor enter into a license agreement under which the Grantor will allow Grantee access to portions of the Property as a filming location for the Program upon the terms and conditions contained in this Agreement; and

WHEREAS, Grantor has determined that it is in the public interest to grant such non-exclusive license to Grantee for the purposes stated above, subject to the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. GRANT OF NON-EXCLUSIVE LICENSE. Grantor hereby grants to Grantee, without covenants or warranties of any kind, a non-exclusive license on and over the Licensed Property (as defined below) for the sole and limited purpose of the use of the Licensed Property as a filming location in connection with the production of the Program, including the right to make still and motion pictures and sound recordings of, on, in and about the Property (the “Recordings”). The Licensed Property shall consist of certain designated portions of the Property, including all interior and exterior areas, buildings and other structures on the Property typically made available for wedding ceremonies and wedding receptions (collectively, the “Licensed Property”). The Grantee shall have the right to bring all necessary personnel and equipment on to the Licensed Property, including any signs, displays, or logos. However, any and all signs, displays or logos brought onto or otherwise displayed on the Licensed Property must be preapproved, in writing, by Grantor’s Representative (as hereinafter defined in Paragraph 7 below), with such preapproval not to be unreasonably withheld. Grantee shall not move, relocate or remove any of Grantor’s property without the prior written permission of Grantor’s Representative, which may be withheld at the discretion of Grantor’s Representative. Grantee shall not move, transport, place or locate any of its equipment on the Grantor’s Property other than over such routes and at such locations as shall be designated by Grantor’s Representative. Grantor’s Representative must pre-approve the size and weight of equipment/vehicles brought onto Grantor’s Property (such approval not to be unreasonably withheld). Nothing contained in this Agreement shall permit Grantee to construct any improvements whatsoever on the Licensed Property without Grantor’s express prior written consent.

2. TERM. Unless sooner terminated as provided in this Agreement, the “Term” of this Agreement shall commence on August 8, 2024 and expire on August 10, 2024. In the event that Grantee’s use of the Licensed Property is prevented or disrupted by weather or other occurrences beyond Grantee’s control, including illness of participants, producers or other essential artists or crew (“Force Majeure Event”), Grantee shall have the right to use the Licensed Premises for an amount of time equal to the length of

time lost due to the Force Majeure Event, commencing at a date and time mutually agreed to in writing by the Parties. Nothing contained herein shall constitute a waiver of Grantee's responsibilities under Paragraph 3 hereof, including Grantor's right to charge Grantee an additional fee for each additional day or portion thereof that Grantee is permitted to use the Licensed Property beyond the Term outlined in this Paragraph 2.

3. LICENSE FEE. Upon execution of this Agreement, Grantee shall pay to the Grantor a License Fee in an amount equal to Five Thousand and 00/100 Dollars (\$5,000.00) the ("License Fee"). Grantee shall also reimburse Grantor for Grantor's reasonable outside attorneys' fees incurred in the preparation and negotiation of this Agreement (which shall in no event exceed the amount of One Thousand Five Hundred and 00/10 Dollars (\$1,500.00). Payment shall be made by Grantee at Grantor's administrative office at 102 E Wesley St #5321, Wheaton, IL 60187, or such other location as Grantor shall specify in writing to Grantee. Failure of Grantee to pay the License Fee to Grantor shall constitute a material breach of this Agreement and shall entitle Grantor to terminate this Agreement, and pursue any and all legal and equitable remedies in accordance with Section 15 below. In the event Grantee requires additional use of the Licensed Property beyond the Term specified in Paragraph 2 as a result of a Force Majeure Event, Grantee shall pay to the Grantor an Additional License Fee in the amount of Five Thousand and 00/100 Dollars (\$5,000.00) for each additional day of use, prorated if necessary to reflect any use for a portion for a day. Grantor shall not be responsible or liable for, and there shall be no waiver or refund of fees paid or to be paid by Grantee in the event that for any reason including but not limited to a Force Majeure Event, other than Grantor's breach of its obligations under the Agreement, Grantee is unable to use the Licensed Property during the Term of this Agreement. Additionally, Grantor reserves the right to charge Grantee the same daily/hourly fee set forth above for each day or portion thereof that Grantee is permitted to use the Licensed Property outside of the Term of this Agreement.

4. ACTIVITIES LIMITED; GRANTEE'S DUTIES. The Grantee shall not use the Licensed Property for any purpose other than the purposes described in Section One of this Agreement, and for no other purpose. Grantee's use of the Licensed Property is further limited to those specific date(s) and time(s) agreed to by Grantor's Representative. At its sole cost and expense, Grantee shall maintain the Licensed Property in an operational and safe condition at all times, all in accordance with this Agreement and all applicable laws, ordinances, rules and regulations of the City of Wheaton, DuPage County, and all other governmental authorities having jurisdiction. Further, should the Grantee abandon or otherwise discontinue its planned uses of the Licensed Property prior to the expiration of the Term as defined in paragraph 2, Grantee shall completely and promptly remove any and all items or equipment from the Licensed Property and restore the Licensed Property substantially to the condition that existed immediately prior to the commencement of the Term at Grantee's sole cost and expense, reasonable wear and tear excepted.

5. OWNERSHIP AND USE OF GRANTEE'S RECORDINGS. Grantee shall be the sole and exclusive owner of all rights of every kind in and to the Recordings taken on or about the Licensed Property, including the right to exhibit, distribute or otherwise use the Recordings by any and all means and media, known now or hereinafter devised, throughout the universe, in perpetuity. Further, Grantee is under no obligation to produce the Program or use the Recordings taken in and about the Licensed Property. In making and using the Recordings and in producing, promoting, publishing and broadcasting the Program, no such use shall be in a manner which constitutes actionable defamation of Grantor or its elected or appointed officials, employees, or agents. Grantee shall not use in any way the Grantor's name or any derivation thereof, or use in any way any of Grantor's signs, displays, logos or the like (collectively "Signage"), without obtaining prior written approval from Grantor's Representative detailing the specific usage(s), which approval may be withheld in the sole discretion of Grantor's Representative. The foregoing is in no way construed as any obligation on the part of Grantee to restrict, monitor or have any responsibility whatsoever for any references to Grantor or the Licensed Property made by members

of the general public. Further, Grantee provides no guarantee that the Licensed Property's or Grantor's identity will not be recognizable given the content, the context and/or the circumstances of the Program. Neither Grantee nor its successors, licensees and/or assigns shall be responsible for, nor shall they incur, any liability in connection with any such recognition. The grant of this Agreement by Grantor shall not constitute Grantor's approval of the content or use by Grantee or Grantee's employees, agents, or permittees of the Recordings in violation of the law or the intellectual or creative property or other rights of third parties, or constitute a waiver of Grantee's obligations under this Agreement.

6. GRANTOR'S DUTIES. Grantor is a unit of local government. The Licensed Property is public property. Grantor shall use its reasonable efforts with those facts in mind and consistent with applicable Illinois law, including but not limited to the Freedom of Information Act (5 ILCS 140/1 *et seq.*), to require its elected and appointed officers and employees to keep confidential and not disclose information or materials concerning the Program and the Grantee's use of the Property which the Grantee has provided to Grantor under a written claim of confidentiality or trade secret. Grantor shall not have any greater obligation than is provided for in this paragraph with respect to any claim of "unauthorized disclosure by Owner of Confidential Information and Materials", or other claim of like import.

7. PARTIES' REPRESENTATIVES. "Grantor's Representative" for all purposes connected with this Agreement is Dan Novak, Director of Arrowhead Operations. "Grantee's Representative" for all purposes connected with this Agreement is _____. Grantor's Representative and Grantee's Representative shall exchange contact information, including emergency mobile numbers, prior to commencement of the Term specified in Paragraph 2.

8. NON-EXCLUSIVE LICENSE/GRANTOR'S RESERVATION OF RIGHTS. This Agreement shall not be exclusive, and Grantor reserves the right to continue its use and the public's use of the Licensed Property, in any manner that will not prevent or interfere with the Grantee's exercise of the rights granted to it under this Agreement. Grantor shall have the right to grant other non-exclusive licenses over, along, upon or across the Licensed Property; provided that any other licenses shall not unreasonably interfere with the License and rights granted to the Grantee under this Agreement. Grantor shall provide reasonable advance written notice to the Grantee of the nature, location and terms of any such other license, prior to granting same to a third party.

9. CONDITION OF LICENSED PROPERTY. Grantee has examined and inspected the Licensed Property and knows its condition. No representations as to the condition and repair thereof, and no agreements to make any alterations, repairs or improvements in or about the Licensed Property, have been made by Grantor. Grantee shall inspect the Licensed Property at the start of each day during the Term of this Agreement and prior to commencing its use of the Licensed Property for that day, and shall notify Grantor's Representative immediately by telephone and email of any safety hazards or other issues. Grantee shall not use the Licensed Property for any purpose authorized by this Agreement if a safety issue has been identified.

10. ACKNOWLEDGEMENT: LIMITATION OF LIABILITY. Grantee shall use the Licensed Property at its own risk. Grantee acknowledges that Grantor shall not provide any security or protection in connection with Grantee's use of the Licensed Property. To the extent permitted by the laws of the State of Illinois, Grantee hereby waives any and all rights or claims Grantee may have at any time against Grantor, its elected or appointed officials, officers, employees, agents, and volunteers for injury to or the death of any person or for damage to or destruction of any property, sustained or incurred by Grantee or any person claiming by, through or under Grantee, in connection with the exercise by such persons of the rights and privileges granted to Grantee hereunder, except to the extent that such loss or damage is caused by the willful and wanton conduct of Grantor or Grantor's elected or appointed officials, officers, employees, or agents.

11. DUTY TO RESTORE. After entry upon the Licensed Property for the purposes stated herein and upon completion of any work resulting therefrom or termination of this Agreement for any reason, Grantee, at its sole cost and expense, shall restore the affected portions of the Licensed Property to the same or better condition as when first entered. All restoration and replacement shall be completed to the reasonable satisfaction of Grantor within thirty (30) days after the completion of Grantee's activity on the Licensed Property, or, if due to weather conditions or other circumstances which, in Grantor's opinion, would make any such restoration or replacement inadvisable, then within such later time period as Grantor reasonably shall request. If Grantee fails to so restore, Grantor shall have the right, but not the obligation, to make such restoration and Grantee shall pay Grantor's costs therefor promptly upon demand.

12. INDEMNIFICATION. Grantee shall indemnify and hold harmless Grantor and its officers, officials, employees, volunteers and agents from and against all third-party claims, suits, damages, causes of action, judgment, losses, costs and expenses, including but not limited to reasonable outside legal fees (attorneys' and paralegals' fees and court costs), arising from or in connection with Grantee's use of the Licensed Property under this Agreement, including but not limited to any accident, injury, damage, property loss or theft regardless of whether or not it is caused in part by the District, or arising from or in any way connected with any act, omission, wrongful act or negligence of Grantee. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to the Grantor. Grantee shall similarly protect, indemnify and hold and save harmless the Grantor, its officers, officials, employees, volunteers and agents against and from any and all claims, costs, causes, actions and expenses including but not limited to reasonable outside legal fees, incurred by reason of Grantee's breach of, or default under, any provision of this Agreement or its failure otherwise to perform any of its obligations under this Agreement.

The indemnification contained in this paragraph shall bind Grantee and its successors and survive termination of this Agreement.

13. [Intentionally deleted]

14. INSURANCE. Grantee shall maintain commercial general liability insurance which includes coverage for liability assumed under an insured contract (including the tort liability of another assumed in a contract) covering occurrences on the Licensed Property and shall name Grantor, its officers, officials, agents, employees and volunteers, as additional insureds under such policies. Grantee shall also require all of its contractors and subcontractors performing any work for Grantee on the Licensed Property to maintain commercial general liability and property damage insurance, which insurance shall name Grantor, its officers, officials, agents, employees and volunteers, as additional insureds thereon. All such policies of insurance shall be in the amount and form described in Exhibit A attached hereto, and evidence of insurance shall be provided as described in said Exhibit.

15. TERMINATION. Solely in the event that Grantee fails to pay the License Fee, Grantor shall have the right to terminate this Agreement: (a) upon prior written notice to the Grantee and a reasonable opportunity to cure the same; or (b) immediately and without notice upon Grantee's uncured material breach of its obligations hereunder or its violation of any federal or state laws, or local regulations or ordinances. Notwithstanding the foregoing, nothing herein shall affect Grantee's rights in and to any Recordings previously made, and the right to use such Recordings in and in connection with the Program, including without limitation, the right to produce, exhibit, distribute, promote, advertise, and otherwise exploit the Recordings and/or Program

16. RELEASE Grantee shall conduct its operations on the Licensed Property entirely at its own risk. To the fullest extent permitted by the laws of the State of Illinois, Grantee hereby forever waives, relinquishes and discharges and holds harmless Grantor, its officials, officers, employees, agents and volunteers, from any and all claims of every nature whatsoever, which the Grantee may have at any time against the Grantor, its officials, officers, employees, agents and volunteers, including without limitation claims for personal injury or property damage sustained or incurred by Grantee, or any person claiming by, through or under the Grantee, relating directly or indirectly to the Grantee's use of the Licensed Property or to the exercise of the rights and privileges granted to Grantee hereunder.

17. RESERVATION OF RIGHTS. Any rights to the Licensed Property not specifically granted to Grantee in this Agreement are reserved to the Grantor, its successors and assigns.

18. ENTIRE AGREEMENT / MODIFICATION/ AGREEMENT CONSTRUCTION/ NON-ASSIGNMENT. This Agreement is the entire understanding and agreement of the Parties with respect to the subject matter herein contained, and supersedes all prior and contemporaneous agreements with respect to said subject matter, oral or written. This Agreement may be modified only in writing signed by both Parties. The rule of contract law that any ambiguity in an agreement shall be construed against the party drafting the Agreement shall not be applicable to construction of this Agreement, as the Parties acknowledge they have been represented by counsel in regard to the negotiation and finalizing of this Agreement. Grantee may freely assign this Agreement in whole or in part to any person or entity solely to effectuate the distribution, exhibition, advertising, promotion, publicity, and/or other exploitation of the Program or any element thereof; provided Grantee shall remain secondarily liable hereunder, except in the event such assignee is a major, mini-major or major independent motion picture production or distribution company, a television or cable network or any other similarly financially responsible party that assumes Grantee's obligations in writing. For the avoidance of doubt, Grantee may not assign its access rights under this Agreement.

19. GOVERNING LAW. This Agreement shall be governed by and its provisions construed in accordance with the laws of the State of Illinois without regard to conflicts of laws rules. The Parties hereto agree to submit to the exclusive jurisdiction of the courts (including federal courts sitting therein) of the State of Illinois, County of DuPage.

20. SEVERABILITY. A final determination by a court of competent jurisdiction that any provision of this Agreement is invalid shall not affect the validity of any other provision, and any provision so determined to be invalid shall, to the extent possible, be construed to accomplish its intended effect.

21. NOTICE. Any notice required or permitted to be given pursuant to this Agreement shall be given to the following addresses (notice to be deemed given when personally delivered or three days after being sent registered or certified mail, return receipt requested) or to such other or further addresses as the Parties may hereafter designate by like notice similarly sent:

EXHIBIT A

INSURANCE TO BE MAINTAINED BY GRANTEE

The Grantee shall obtain and maintain insurance of the types and in the amounts listed below.

A. Commercial General and Umbrella Liability Insurance

Commercial general liability (CGL) and, if necessary, commercial umbrella insurance with a limit of not less than \$1,000,000 each occurrence and a general aggregate limit of at least \$2,000,000. If such CGL insurance contains a general aggregate limit, it shall apply separately to this location.

CGL insurance shall be written on Insurance Services Office (ISO) occurrence form CG 00 01 10 93, or a substitute form providing equivalent coverage, and shall cover liability arising from premises, operation, independent contractors, products-completed operation, personal injury, including death, property damage, and advertising injury, liability assumed under an insured contract (including the tort liability of another assumed in a contract), and liability arising from the indemnity provisions contained in this Agreement. The CGL insurance shall also provide for Broad Form Contractual Liability, Underground Hazard and Broad Form Property Damage.

The Grantor shall be included as an insured under the CGL, using ISO additional insured endorsement CG 20 26 or a substitute providing equivalent coverage, and under the commercial umbrella, if any. This insurance shall apply as primary insurance with respect to any other insurance or self-insurance afforded to the Grantor.

B. Business Auto and Umbrella Liability Insurance

Business auto liability and, if necessary, commercial umbrella liability insurance with a limit of not less than \$1,000,000 for each occurrence or claim. Such insurance shall cover liability arising out of any auto including owned, hired and non-owned autos, and mobile equipment to the extent excluded from CGL coverage.

Business auto insurance shall be written on Insurance Services Office (ISO) form CA 00 01, CA 00 05, CA 00 12, CA 00 20, or a substitute form providing equivalent liability coverage. If necessary, the policy shall be endorsed to provide contractual liability coverage equivalent to that provided in the 1990 and later editions of CA 00 01.

C. Workers Compensation Insurance

Workers compensation and employers liability insurance as required by statute, and the commercial umbrella and/or employers liability limits shall not be less than \$1,000,000 each accident for bodily injury by accident or \$1,000,000 each employee for bodily injury by disease.

If the Grantor has not been included as and insured under the CGL using ISO additional insured endorsement CG 20 26 under the Commercial General and Umbrella Liability Insurance required in this Agreement the Grantee waives all rights against the Grantor and its officers, officials, employees, volunteers and agents for recovery of damages arising out of or incident to this Agreement.

D. General Insurance Provisions

1. Evidence of Insurance

Upon execution of the Agreement, Grantee shall furnish the Grantor with (a) certificate(s) of insurance and applicable policy endorsement(s), executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements set forth above.

All policies shall provide for 30 days' written notice to the Grantor prior to the cancellation of material change of any insurance referred to therein. Written notice to the Grantor shall be by certified mail, return receipt requested.

Failure of the Grantor to demand such certificate, endorsement or other evidence of full compliance with these insurance requirements or failure of the Grantor to identify a deficiency from evidence that is provided shall not be construed as a waiver of the Insured Party's obligation to maintain such insurance.

Failure to maintain the required insurance may result in termination of the Agreement at the Grantor's option.

The Insured Party shall provide certified copies of all insurance policies required above within 10 days of the Grantor's written request for said copies.

2. Acceptability of Insurers

For insurance companies which obtain a rating from A.M. Best, that rating should be no less than A VII using the most recent edition of the A.M. Best's Key Rating Guide. If the Best's rating is less than A VII or a Best's rating is not obtained, the Grantor has the right to reject insurance written by an insurer it deems unacceptable. Said insurance companies must be qualified to do business in Illinois.

3. Cross-Liability Coverage

If Grantee's liability policies do not contain the standard ISO separation of insureds provision, or a substantially similar clause, they shall be endorsed to provide cross-liability coverage.

4. Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to the Grantor. At the option of the Grantor, the Grantee may be asked to eliminate such deductibles or self-insured retentions as respects the Grantor, its officers, officials, employees, volunteers and agents or required to procure a bond guaranteeing payment of losses and other related costs including but not limited to investigations, claim administration and defense expenses.
