I, Michael Benard, Executive Director hereby state the following:

We concur with the request to extend the subject Agreement for the term of August 10, 2012 to June 30, 2017 with the Department, on behalf of the state of Illinois.

At the time the Agreement was effective, the Vendor anticipated that the Department would sign the necessary Addendum Agreement extension since there is a need to have this work completed for the Department's roadway improvement contract.

The Department and the vendor, prior to the end date, agreed to the services prior to the end date in the original Agreement and the attached Addendum Agreement extension. The Addendum Agreement extension was not reduced to writing before the the Obligation expired because the expiration date on the existing agreement was inadvertently overlooked.
