- (b) To prepare a proposed annual budget to be submitted to the Executive Committee and approved by the Representative Board.

The Administrator or Acting Administrator shall, before commencing his duties, execute a fidelity bond with a surety company authorized to do business in the State of Illinois, as surety, payable to the Illinois Gas Cooperative and the bond shall be conditional upon the faithful discharge of his duties. The penalty of

the bond shall be in an amount equal to the expected total funds on deposit in the Account and shall be increased or decreased from time to time as the total funds increase or decrease, whenever, in the judgment of the Executive Committee, such increase or decrease is deemed necessary, The form of bond shall be that commonly used for school treasurers and shall be paid for as an administrative expense of IGC and as determined and approved by the Executive Committee.

ARTICLE X

ACCOUNT

10.1 Records

The Administrator shall develop and maintain for the Account separate records of receipts and disbursements for administrative costs and gas and electricity purchase costs.

10.2 Funding Administrative Costs

The cost of administering IGC shall be borne by each District in direct proportion to the pro rata amount of gas and electricity purchased and shall be raised by a surcharge on the kilowatts of electricity and the therms of gas purchased by participating districts combined with any interest earned on the Account. Whenever payments to the Account for administrative expenses shall be based upon an estimate, each District making such payments shall receive a refund or pay a deficiency when actual costs are determined. It is contemplated

that the Account will contain a sufficient amount at all times to pay the administrative expenses of the Cooperative. At the close of the Fiscal year on June 30, an accounting will take place to determine the amount of natural gas and electricity a particular District has purchased, the amount paid to IGC and the pro rata share of administrative expenses based on total gas and electricity purchases incurred for each District. If, during any Fiscal Year, the funds on hand in the Account are not sufficient to pay expenses of administration, the Executive Committee shall require supplementary payment from all Districts. Such payment shall be made in the same proportion as therms purchased during that year to the IGC.

10.3 Gas Purchase Payments

Payments into the Account will be developed and administered in the following manner:

- (a) Upon receipt of a duly approved and executed intergovernmental cooperative agreement, LDC rider and LDC rider contract for transportation of customer-owned gas by the IGC, a District may nominate the amounts of natural gas for monthly heating needs. A written acknowledgment of the nominations and invoices will be sent to the district by the Administrator. Within ten (10) days of invoice payment shall be made by District.
- (b) All taxes and distribution fees, if any, shall be the sole and exclusive responsibility of the District.

- (c) Failure to make prompt payment, as defined in Section (b) above, for the gas nominated, shall be cause for rejection of future nominations. The Illinois Gas Cooperative takes no responsibility for the additional expense incurred by the District in securing natural gas should payment not be promptly paid. If, in the event payment is not promptly paid, interest shall accrue from date of receipt of the invoice in accordance with the Local Government Prompt Payment Act (Ill. Rev. Stat., ch. 85, Sec. 5601 et seq.).
- (d) An Account will be administered during the Fiscal Year as a single fund without regard to the level of expense for a particular District.

10.4 Electricity Purchase Payments

Each District participating in the cooperative purchase of electricity shall submit such payments, documents or reports as may be required.

ARTICLE XI

MEETINGS OF IGC

11.1 Organizational Meeting of Representative Board

The first organizational meeting of IGC shall take place within the month of September and, thereafter, during the first quarter of the Fiscal Year beginning July 1.

11.2 Annual Meeting of Representative Board

At the annual meeting in each subsequent Fiscal Year, the Board shall elect from amongst its Representatives members of the Executive Committee to fill positions of those whose terms have expired. At the initial meeting of the Executive Committee following the annual meeting each year, the Executive Committee shall elect officers to fill positions of officers whose terms have expired. The Executive Committee may fill any vacancies which may occur in such offices until the end of the unexpired term.

11.3 Meeting Schedule for Representative Board,
Executive Committee and Steering Committee

Meetings of the Representative Board and Executive Committee shall be held as often as necessary to carry out the purpose of the IGC, but no less than one (1) time in each Fiscal Year. Business conducted at special meetings shall be limited to those items specified in the agenda.

11.5 Regular Meetings

The time, date and location of regular meetings of the Representative Board or Executive Committee shall be determined by the Executive Committee for a fiscal year. Notice of such meetings and an agenda shall be provided two (2) weeks prior to each meeting.

11.6 Voting

Each District shall be entitled to one vote on the Representative Board through its Representative. No proxy votes or absentee votes shall be permitted. A quorum shall consist of a majority of the participating District representatives who are present at the meeting. Except as provided in this Agreement, a simple majority of a quorum shall be sufficient to pass upon all matters. Voting shall be conducted by voice unless one (1) or more Members of the Representative or Executive Committee shall request a roll call vote; provided, however, that any vote which requires a greater than majority vote for passage shall be by roll call vote, and in the event that there are any negative votes or abstentions relating to the authorization of the expenditure of funds, the names of the Representatives so voting shall be specifically noted. All other Representatives present and not voting in the negative or abstaining shall be listed as having joined the affirmative voice vote on the proposition. A Representative seeking to abstain or vote in the negative regarding the authorization of the expenditure of funds shall indicate such vote to the presiding officer.

11.7 Minutes

Minutes of all regular and special meetings of the Executive and Representative Boards shall be sent to all Representatives and to each District.

11.8 Open Meetings Act

All meetings shall be conducted in the manner required by law, including, but not limited to, "An Act in Relation to Meetings," Ill. Rev. Stat., ch. 102, par. 41, et seq. In the event of any conflict between any provision of this Agreement shall be deemed modified to the extent necessary to comply with such law. In addition to any notices of meetings he may be required to serve under this Agreement, the Chairperson shall cause to be published any schedule or notice of meetings required by law.

ARTICLE XII

OBLIGATIONS OF DISTRICTS

- (a) To pay _____ all obligations to the Account of IGC at such times and in such amounts as are established within the scope of this Agreement and to pay within the time restraints established by the Executive Committee.
- (b) To select promptly a Representative and an alternate to serve on the Board and any successors to such Representative.

- (c) To cooperate fully with the administrator, consultant, the IGC attorneys and auditors and any agent, employee, officer or independent contractor of IGC in any matter relating to the purpose and powers of the IGC.
- (d) To act promptly on all matters requiring approval by the Districts and to not withhold such approval unreasonably or arbitrarily.

ARTICLE XIII

LIABILITY OF REPRESENTATIVES AND OFFICERS

The Representatives and the officers of the Executive Committee and Steering committee shall use ordinary care and reasonable diligence in the exercise of their authority and in the performance of their duties. They shall not be liable for any error of judgment or other action made, taken or omitted by them in good faith; nor for any action made, taken or omitted by any agent, employee or independent contractor selected with reasonable care. No Representative or officer shall be liable for any action taken or omitted by any other Representative or officer. No Representative shall be required to give a bond or other security to guarantee the faithful performance of his duties hereunder except as required by this Agreement or by law. IGC shall defend and hold harmless any Representative, officer, agent or employee of the IGC for actions taken by the Board or performed by the Representative or office within the scope of his authority to the extent of insurance coverage. IGC shall make every reasonable

effort to provide liability coverage for Representatives, officers, administrators, agents and employees.

ARTICLE XIV

OBLIGATIONS OF DISTRICTS

The Obligations and responsibilities of the Districts set forth in this Agreement, including the obligation to take no action inconsistent with this Agreement as originally written or validly amended, shall remain a continuing obligation and responsibility of each District. This Agreement may be enforced in law or equity either by IGC itself or by any District. The consideration for the duties imposed upon the Districts by the Agreement is based upon the mutual promises and agreements of the Districts set forth herein and the advantages gained by the Districts through reduced costs arising from the direct procurement of natural gas and electricity. Except to the extent of the limited financial contributions to IGC each District has agreed to make, no District agrees by this Agreement to be responsible for claims of any kind against any other District. During such period of time as a District is a participating member of IGC, for purchase of natural gas, said District may not order for natural gas except via the IGC Agreement; nor shall any District that is a participating member for the purchase of electricity order electricity except via the IGC Agreement during the term of their electricity purchase agreement.

ARTICLE XV

MEMBERSHIP

15.1 Eligibility

Membership shall be open to public entities empowered to enter into agreements under the Illinois Intergovernmental Cooperation Act, including municipalities, school districts, special education and vocational cooperative districts, community college districts, library districts and park districts.

15.2 Conditions of Membership

Membership shall commence at such times as an eligible public entity's application for membership in IGC is accepted and the applicant has duly approved and executed the Agreement and has supplied the necessary documents for the purchase of gas and/or electricity.

15.3 Expulsion of Member Districts

By the vote of two-thirds of the membership of the Representative Board in attendance at the meeting except the Member representing the District whose expulsion is being voted upon, the Executive Committee may recommend expulsion of any District from IGC. Such expulsion, which shall take effect in the manner set out below, may be recommended whenever a District fails to perform any obligation under this Agreement.

No District may be expelled except after notice from IGC of the alleged failure to perform and after reasonable opportunity of not less than fifteen (15) days to cure the alleged failure. Within such fifteen (15) day period, the District

may request a hearing before the Executive Committee before any decision is made as to whether to recommend expulsion. The Executive Committee shall set the date for such hearing, which shall not be less than fifteen (15) days after expiration of the time to cure the alleged failure. The Executive Committee may appoint a hearing officer to conduct such hearing who shall make a recommendation to the Executive Committee based upon findings of fact. The Executive Committee may make a decision at the close of the hearing or upon receipt of the recommendation of the hearing officer to recommend expulsion of the District. Expulsion of a District after notice and hearing as set forth in this Section shall be final when approved by the Representative Board as set forth herein and shall become effective thirty (30) days following such approval.

After expulsion, the former member District shall continue to be fully liable for any payment due to the Account and any other unfulfilled obligation as if it was still a member of IGC.

Within sixty (60) days after an expulsion, a final accounting of funds owed by or owing to said District shall take place and any amount found to be owed by such District shall be immediately paid into the Account by such District and any amount found to be owed to such District shall be immediately paid from the Account to such District.

15.4 Withdrawal of Member District

No District shall have the right to withdraw from IGC during the twelve (12) month period immediately following the Effective Date. Thereafter, a District may

withdraw upon sixty (60) days prior written notice to the administrator. The rights and duties of IGC with respect to a withdrawing District and the rights and duties of a withdrawing District to IGC shall be the same as those with respect to an expelled District.

Thereafter a Member District may only withdraw from IGC after providing the administrator with written notice of the Member District's intent to withdraw from IGC at least 120 days prior to the expiration of the then current initial or renewed natural gas and/or electricity supply contract. Member Districts agree that this restricted withdrawal provision is necessary to prevent the potential negative economic impact on IGC and its Members resulting from a Member District withdrawing prior to the expiration of a natural gas and/or electricity supply contract.

ARTICLE XVI

TERMINATION OF THE COOPERATIVE

The Illinois Gas Cooperative shall terminate upon the occurrence of any one of the following events:

- (a) A final determination by a Court of competent jurisdiction, after all appeals have been exhausted or time for appeal has expired, that IGC is invalid or contrary to law.
- (b) The member Districts approve termination when the economic benefits of IGC no longer warrant the existence of IGC.

Upon termination of IGC, the rights and duties of IGC to each District and the rights and duties of each District to IGC shall be the same as those with respect to an expelled District. It is understood that when the purchase of natural gas or electricity for the Cooperative becomes uneconomical for the member Districts, the Cooperative shall be terminated by the Representative Board at the recommendation of the Executive Committee.

Within sixty (60) days after the termination, a final accounting of funds owed by or owing to each member District shall take place, and any amount found to be owned by each member District shall be immediately paid into the Account by each member District, and any amount found to be owed to each member District shall be immediately paid from the Account to each member District.

ARTICLE XVII
