In such case, Contractor shall not be entitled to receive any payment until the Work is completed. If the unpaid balance of the Contract Sum exceeds (1) the expenses of completing the Work, including compensation for additional managerial and administrative services, plus (2) the Park District's losses and damages because of Contractor's default, such excess shall be paid to Contractor. If such expense plus the Park District's losses and damages shall exceed such unpaid balance, Contractor shall pay the difference to the Park District promptly on demand and the Park District may resort to any other rights or remedies the Park District may have by law or under this Contract.

Upon termination of this Agreement for any reason, the rights and obligations of the Parties shall cease automatically except for the rights and obligations of the Parties accruing but unsatisfied prior to termination, including but not limited to the Park District's right to collect sums due from Contractor under this Agreement and remedies for breach of this Agreement and Contractor's obligations to make such payments and compensate Park District for such breach.
