SUBJECT: 2018 Water Treatment Service Contract
for Community Center HVAC Systems

Dear Mr. Stanczak:

Enclosed please find a copy of the 2018 Water Treatment Service Contract renewal for the Community Center. IWM will provide a full service program for the HVAC Water Treatment Program including:

- 1.) Provide all treatment chemicals
- 2.) Deliver and install all treatment chemicals
- 3.) Provide service calls as follows:
 - a.) Every month during cooling season
 - b.) Twice a season during the heating season

| | |
|--------------------------|-------------|
| Total Price for One Year | \$ 4,980.00 |
| Monthly | \$ 415.00 |

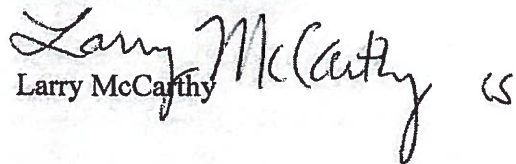

Service calls will include testing and adjustment of seasonally operating systems, changes of filter cartridges as necessary, maintenance, and calibration of treatment equipment (parts not included), written report submitted and reviewed on-site.

The Park District will be responsible for the addition of all cooling tower algaecides during the cooling season.

To accept the above twelve month contract, please sign and return two copies of this contract to IWM Corporation, 399 Hammond Avenue, Elgin, Illinois 60120. A signed copy will be returned for your records. IWM will bill the contract in twelve equal monthly installments of \$ 415.00.

Please advise if additional information is required or if we may be of further assistance.

Respectfully submitted,

Larry McCarthy
