

Fee: \$300

Please return this contract with a non-refundable retainer fee of 50% of the total fee (\$150)

Balance due in full no later than day of performance, payable by cash or check.

If paying by check, please make check out to: Jason Kollum

Jason Kollum keeps a full schedule of performances, and has reserved the above date & time in his schedule to provide entertainment at this event.

After this contract is signed and returned, if this event is cancelled on the day of, or anytime before the day of the event, due to inclement weather (rain, heavy winds, lightning), the Performer will make every effort to work with the venue to reschedule the event at a date/time that works for both the Performer and the Venue. If an alternative (rain) date is chosen to take place in the very near future (within several weeks, or at the performer's discretion), the retainer fee will be applied to the new date, and the balance would be due after the performance on the reschedule date. If the Performer is not available for any other options for the rescheduled event, or, the event can only take place on a specific date, then the performer would keep the retainer fee and no other amount would be due.

Should the Performer get sick, injured, be involved in a serious accident, be stuck in unusual or unsafe traffic conditions, or experience problems with his vehicle that would make driving the vehicle unsafe or impossible, and the Performer is unable to make the performance, the venue will be notified immediately to inquire about an attempt to reschedule. If rescheduling is not an option, or is not desired, no payment amount will be owed to the Performer or, if applicable, the retainer fee would be returned to the venue. If the venue prefers a substitute entertainer, the Performer will attempt to find a replacement of a similar skill set, and at the same performance fee as the Performer, for the venue. If a substitute of a similar skill set cannot be found or is not available, with the venue's permission, the Performer will attempt to find a substitute entertainer of a different skill set. If that entertainer cannot be found, no payment will be owed by the venue to the Performer for the entertainment. If a family member of The Performer were to become ill or injured that is life-threatening, and the Performer is unable to make the performance, the same would apply. It is always recommended for the Performer and the venue to work together in these situations to determine the best solution for everyone.

Please sign/date both pages of this agreement.

Return to The Performer within 1 week.
