Feedback Received

Multi Use/Petanque Area

Northside Petanque benches not as comfortable as Memorial benches

Petanque court needs side areas for spectators/team members

Access from West Side is needed – consider special events and food booth location

Bandshell

Consider option for securing stage area

HVAC – what are extents?

Access to stage area for handicap – consider how Wyndemere drops off spectators

General

Tree Plan – provide detailed info on tree removals including current condition

Fencing around park needs to be looked at – access to food booths; relocate to Karlskoga?, vendors in parkway on east side

Commemorative brick program – identify locations

Ability to distribute bricks from existing bandshell
