Best contact phone number: 773-426-4885
jangel@nineteenthcentury.org

It is agreed that you will provide a presentation with the following description:

Illinois and Illinoisans played prominent roles in the anti-slavery movement preceding the Civil War, but were all opponents of slavery necessarily involved in the Underground Railroad? Understanding the wide variety of motivations that might lie behind any given individual's opposition to slavery – commitment to human rights, belief in racial equality, economic considerations, and religious convictions, among others – is important to understanding the escalation to war.

Date: February 9, 2017
