WHEREAS, the State of Illinois has enacted the Prevailing Wage Act, approved June 26, 1941, as amended, being 820 ILCS 130/0.01 through 130/12 (the "Act"); and

WHEREAS, the Act requires that during the month of June of each calendar year the Board of Park Commissioners of the Wheaton Park District (the "Park District") investigate and ascertain the prevailing rate of wages, as defined in said Act, in the "locality" of the Park District for laborers, mechanics and other workers performing construction of public works for the Park District;

NOW, THEREFORE, IT IS HEREBY ORDAINED by the Board of Park Commissioners of the Wheaton Park District, as follows:

Section 1: To the extent and as required by the Act, the general prevailing rate of wages in this locality for laborers, mechanics and other workers engaged in the construction of public works coming under the jurisdiction of the Park District is hereby ascertained to be the same as the prevailing rate of wages for construction work in DuPage County, as determined by the Department of Labor of the State of Illinois (the "Department") as of July 1, 2017, a copy of those determinations being attached hereto and incorporated herein by reference. As required by said Act, any and all revisions of the prevailing rate of wages by the Department shall supersede the Department's June determination and apply to any and all public works construction or demolition undertaken by the Park District. The definition of any terms appearing in this Ordinance which are also used in the Act shall be the same as in the Act.

Section 2: Nothing herein contained is intended to apply nor shall be construed to apply said prevailing rate of wages as herein ascertained to any work or employment performed on behalf of this Park District except public works construction or demolition to the extent required by the Act.

Section 3: The Park District Secretary shall publicly post or keep available for inspection by any interested party in the main office of the Park District this determination of prevailing rate of wages. A copy of this determination or of the current revised determination of prevailing rate of wages then in effect shall be attached to all contract specifications, and for works awarded to a contractor without a public bid, contract or project specification, shall be attached to the purchase order related to the work to be done or in a separate document.

This schedule contains the prevailing wage rates required to be paid for work performed on or after Monday, June 5, 2017 on public works projects in this County. Pursuant to 820 ILCS 130/4, public bodies in this County that have active public works projects are responsible for notifying all contractors and subcontractors working on those public works projects of the change (if any) to rates that were previously in effect. The failure of a public body to provide such notice does not relieve contractors or subcontractors of their obligations under the Prevailing Wage Act, including the duty to pay the relevant prevailing wage in effect at the time work subject to the Act is performed.

DUPAGE COUNTY

IRON WORKERS AND FENCE ERECTOR (WEST) - West of Route 53.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.
