WEATHER POLICY:

We DO NOT cancel your event for weather related reasons until the day of your event. A good rule of thumb is if windshield wipers turn on our equipment must be gone. **All onsite safety weather calls are made by our technician.**

Weather predictions change (often!) --- we want to give you the opportunity to have the event, so we do not allow weather related cancellations or rescheduling until the day of your event. If you do cancel/reschedule your event prior to the day of your event, you may be required to pay a rescheduling or cancellation fee (see Fee Schedule).

40%+ CHANCE OF RAIN: If there is a 40%+ chance of rain or if winds are forecasted to be 12+ MPH (less for extremely large screens) for the period starting two hours before, during, and two hours after your event, we reserve the right to cancel your event for that date in order protect our clients, techs, and equipment.

We also reserve the right to setup our screen parallel to the wind regardless of where customer would like placement, in order to minimize risks associated with gusts of wind.

LESS THAN 40% CHANCE OF RAIN: We will mutually discuss and agree to proceed or postpone using the Proceed/Postpone Weather Options listed below.

PROCEED/POSTPONE WEATHER OPTIONS: It is agreed by both parties that www.weather.com is the tool used to verify weather percentages and wind speeds. Simply visit www.weather.com the morning of your screen rental. Put in your zip code and click hour-by-hour. This is the only tool we use to predict the weather. You have until 2:00 PM on the day of the event to make a final decision, using the following options:

1. **Move Your Event Indoors:** (keep in mind our screens are very tall and will not fit in most residences). If you move your event indoors and you need to move down in screen size in order to fit your available

location, there are no refunds or discounts for changing screen sizes due to weather and indoor requirements, and smaller screens are subject to availability.

2. **Postpone/Reschedule:** You can reschedule your screen rental, if you have chosen a discounted day that discount may not be available on the future date and should be discussed with our sales team.
3. **Take Your Chances:** If you choose to have our tech dispatched to your location and we cannot complete your event due to poor weather conditions, you will not receive a refund and another event will not be scheduled. This would constitute your event!
4. **After the Event Day Confirmation Contact:** if, you wish to postpone your event a fee will be charged. You must pay any fees prior to rescheduling your event. The schedule of fees are as follows:
 - If the tech is not already in route to your event, a Restocking fee of \$50 will be charged for the tech to return the equipment to the warehouse.
 - If the tech is already in route and/or has arrived on-site but not yet unloaded equipment, a \$50 Restocking fee will be charged, a Travel fee \$2.00 per mile from the warehouse to the point when the tech is notified (a minimum charge of \$25.00), and a \$6.00 Tolls fee.
 - The tech will attempt to confirm with you prior to unloading. Asking the tech to wait to unload will incur additional rental time fees if the event postpones or is not able to finish by 10:45pm.
 - Once the tech has begun unloading any equipment, the event is considered in progress and no further rescheduling can be made, except those covered in the contract.

Party People Movies does not refund event payments in case of weather related cancellations/reschedules. You will have 18 months to reschedule your movie screen rental in the case of inclement weather.

COVID Exception: Should the Local, State or Federal Government institute restrictive measures that place encumbrances on either party as to affect the operations of what would be deemed "normal", the client will be allowed to re-schedule to a time when said restrictions are not being enforced. All rates will be honored for events that have signed and paid a minimum of a deposit and no penalties applied.

Early Host Arrival: You have asked for our technician(s) to arrive earlier than our recommended arrival for setup. This is not an increase of equipment time but is sometimes requested to ensure the host is able to get equipment setup when there are road closures or traffic outside the norm. If you are requesting the equipment be in use (speakers, screen, generator etc) please speak to a sales rep about a double feature cost.

PLEASE NOTE: If we provide equipment upgrade due to equipment availability and your event is rescheduled for any reason, you may not receive the equipment upgrade at your rescheduled event.

EVENT DAY RESPONSIBILITIES

1. Event Day Confirmation Call: We will text you on the morning of your event between 10:00 AM - 2:00 PM to confirm your event. You need to be able to reply with your confirmation that our text was received. If there is more than a 20% chance of rain or wind is forecasted 15+ MPH on your date as listed on weather.com, we will not dispatch our tech for delivery without talking with you. This means that if you do not respond to the text message or take our call, we will not be able to deliver your rentals.

2. Rental Period: Your rental period is from 8:45pm to 10:45pm. If your event runs past your end time you will be charged a double feature charge. 8:45pm is the time that we expect to start your main feature presentation. If you need to start later than your listed start time, please let us know in advance. If your start time is changed by more than 15 minutes once we are on-site, you will be charged an additional \$50 for each hour or portion of an hour that the start is delayed.

3. Tech Arrival & Equipment Start Time: We will arrive at the approximate time listed at the top of this contract (5:00pm). Our arrival time may vary from the time listed here due to traffic or other circumstances. We include significant buffer time in the equipment setup period to allow for this variance. 95% of our event rentals start on time and we will make every effort possible to meet your Equipment Start Time listed, however we do not guarantee that your movie will start at the Equipment Start Time.

No refunds or credits will be issued for not starting your movie at the Equipment Start Time listed here.

4. Tech Responsibilities

Full Service Option: Our tech is provided to deliver & setup equipment, change media, connect devices, make adjustments and breakdown equipment. We will stay on-site during the duration of your equipment rental to ensure that everything runs as smoothly as possible. For insurance reasons our tech cannot also be a referee, janitor, MC, babysitter, timekeeper, lifeguard, waiter or other activities outside the ones listed here.

Drop-Off Service Option: Our tech will deliver, setup & breakdown your rental equipment but will not remain on-site for the duration of your event. If any technical difficulties arise, you will call our On Call Manager or the Delivery Tech for support. In the event of inclement weather, customer is responsible for covering equipment or moving it to a safe location

5. Parking Unloading: Customer must provide adequate parking for loading/unloading, including any costs, permits or passes, to allow host an unloading point within 200 feet of the equipment setup location. Any required parking fees or charges incurred by the tech must be reimbursed by the customer. **Customer is responsible for ensuring easy access to attraction site without requiring delivery through narrow gates, steep hills, uneven ground, mud, or rocks. In the instance of dirt, mud, or gravel roadways please let your delivery team know. Most units require a 3-ft entryway to pass through without damaging attraction or customer venue.**

6. Equipment Location, Size & Surface Type: Customer is responsible for ensuring equipment will fit at rental location. It must be completely dark (10 minutes after official sunset) before projection can begin, unless the event is held indoors. We normally secure our equipment by placing stakes in the ground around the equipment. If we cannot place stakes in the ground for any reason (no stakes allowed, pavement, concrete, etc.) customer is responsible for providing weighted item for tying off to secure the equipment. Please contact your sales rep to discuss proper weights needed for your equipment. The customer is responsible for letting us know if weights are not available on-site at least 72 hours prior to rental. Party People Movies offers sand bag and water barrel rentals for locations where stakes are not allowed and customer is responsible for securing these items prior to event date.

7. Lighting: Customer is responsible for minimizing the amount of light in the area above and nearby the equipment. Parking lights, street lights, flood lights, stadium lights, etc. will degrade the quality of the image on our equipment and make it appear washed out. Party People Movies is not responsible for the quality of the video image if all light sources within 100' of the equipment are not turned off.

8. Electrical Requirements: Customer must provide sufficient power on-site for our equipment to operate correctly. You will need to provide **0 outlet(s), each on a separate circuit breaker** for the rentals you requested. Power outlets must be located within 100' of the location where our equipment/equipment will be setup. We will not setup equipment more than 200' from a power source. **Generators:** Customer may provide a generator with at a minimum of 5,000 watts of continuous power and 2 separate circuit breakers (more may be required for larger events). Inverted power is required. Party People Movies will not be responsible for customer provided generators that fail, trip breakers or otherwise don't function with our equipment. We offer generator rentals at additional charge in some locations.

9. Customer Provides All Media: Unless specifically licensed through Party People Movies and listed in this agreement, all media to be played on our equipment/system must be provided by the customer. Our system plays standard, commercially produced DVD and Blu-ray discs. We currently do not support 4K, Ultra HD or other disc types other than standard DVD and Blu-ray.

1. We are not responsible for scratched media, custom burned media, download media or any other content issues/errors that occur with our equipment. We use new equipment that has been tested with most commercial DVD/Blu-ray discs. Please be prepared to provide a backup copy of your movie or other content you plan on playing in our systems in case there are problems with the primary disc.

2. If you are connecting a laptop, cable box, gaming system or other media devices you must tell us in advance and it must be included in this contract. If you do not see your media type listed (i.e. laptop, live TV, video gaming) then it assumed you are providing a standard DVD or Blu-ray disc. Please contact your Party People Movies Sales Team if you are not showing a standard disc type. We cannot connect other devices to our systems unless the device is listed in your rental items above and we will not be responsible for event issues or failures resulting from this omission during your booking and in writing. **Any special connectors**

required to connect customer provided equipment to our system shall be provided by the customer. Extending your service to our equipment is also the customer responsibility (additional coax to move cable box to our equipment, etc). Party People Movies can advise the specific connections our system can accommodate, but must do so before the event is confirmed with a Party People Movies sales rep.

3. Customer is responsible for all licensing and other costs associated with any content or media used on a Party People Movies' system.

10. Equipment Malfunctions: All equipment is tested and maintained for your assurance - however there is always the risk of technical malfunctions. If we experience an equipment issue on-site, we will make every effort to get it fixed on-site within 60 minutes, or get replacement equipment delivered to your location within 60 minutes of diagnosis. If we are unable to get the equipment working or are unable to get a replacement on-site within 60 minutes from our diagnosis of problem, then Party People Movies will provide a rescheduled rental on a date mutually agreeable by customer and Party People Movies, not to be scheduled later than 18 months from the originally scheduled date. We do not offer refunds for technical malfunctions.

Party People Movies is not responsible and will not pay for incidental or consequential damages caused by any delays or equipment malfunctions. This includes but is not limited to food, entertainment, labor, sponsorships, other rentals, or other costs incurred by customer in conjunction with this rental.

Customer Provided Equipment: We will substitute any customer provided equipment in the case of failure (i.e. DVD player, projector, speakers, cables, etc.), however no refund or credit will be provided if event goes on as planned. If delayed more than 60 minutes, customer can opt to request a rescheduled rental option subject to approval by Party People Movies

11. Sprinklers & Venue Safety: Customer is responsible for ensuring that sprinkler systems are turned off in the area where our equipment will be setup. If sprinkler systems are activated during your rental and our equipment is subjected to water from sprinklers, you will be charged a \$150 cleaning fee. If any equipment is damaged by water from sprinkler systems, then customer is responsible for paying repair or replacement costs for damaged equipment.

Customer is responsible for providing a safe venue for our equipment and our technician. We reserve the right to not setup our equipment in, or to vacate, any environment our technician deems to be unsafe. This includes but is not limited to factors such as weather (or impending weather), mud, extreme temperatures, uneven terrain, unsafe structures, uncontrolled crowds, etc. Party People Movies does not issue refunds and no rescheduled rental will be provided for cancellations caused by unsafe conditions.

In extremely unsafe conditions, regardless of source of the unsafe conditions, the technician will abandon the equipment and vacate the venue. Party People Movies does not issue refunds and no rescheduled rental will be provided for cancellations caused by unsafe conditions. The customer is responsible for paying repair or replacement costs for damaged/stolen equipment due to unsafe venue conditions or subsequent abandonment of equipment. Event weather related concerns are covered separately by our Weather Policy.

To insure the safety of our technician(s), the customer is responsible for having a representative on site from technician arrival until technician departure. In the event the technician's vehicle location is not in the immediate area of the venue, this responsibility includes escorting the technician to/from their vehicle for each loading trip. We appreciate your participation in insuring the safety of our technician.

ADVERTISING, PHOTOGRAPHS & PROMOTION: The customer gives their full consent and permission to Party People Movies, it's local affiliates and contractors, their sponsors and/corporate sponsors, their successors, licensees, and assigns the irrevocable right to use, for any purpose whatsoever and without compensation, any photographs, videotapes, audiotapes, or other recordings of people and activities that are made during the course of this event. In addition, Party People Movies may show logos, commercials, public service announcements and limited advertising on the equipment.

COMPLETE AGREEMENT: This signed Agreement contains the entire agreement between Party People Movies and the Customer. No amendment, whether from previous or subsequent negotiations between Party People Movies and the Customer, shall be valid or enforceable unless in writing and signed by all parties to this contract. The invalidity or unenforceability of any particular provision of this Agreement shall not affect the other provisions hereof.

Customer acknowledges that by making payment and/or signing, that this Rental Agreement is a legal, and binding contract. To cancel or reschedule a rental, sufficient notice must be given by Customer in accordance with the terms outlined in this Rental Agreement and that Customer may incur additional fees for doing so. Any rescheduled event is subject to availability at the time of cancellation or postponement. Refunds are not provided for rentals from Party People Movies. Party People Movies may, at it's sole discretion, provide credits towards future events for weather related and other cancellations.
