

I am going to Pizza with Santa at the Ray Morrill Community Center.

There will be lots of families there,
and of course... Santa Claus!

When we arrive, my family will find a table to sit at.

The tables will have fun craft supplies so I can make something special with my family.

Santa will be sitting in a chair on the stage.

If it is too loud, I can wear my headphones.

If I need a break, I can take a walk in the hallway or borrow a Sensory Bag from the front desk.

I can choose to see Santa right away, or I can wait a little while.

While I wait, I can eat some yummy pizza or work on my craft.

When I am ready, I will wait in line to visit Santa.

Many children will sit with him for a photo. If I do not want to, that's okay! I can stand close to him or even wave!

After I've eaten my pizza, finished my craft and visited Santa, it will be time to leave with my family.
