Joe Themel, Fleet Manager

THROUGH: Michael Benard, Executive Director

RE: 2024 Ford Ranger Truck Replacements

DATE: December 20, 2023

---

**SUMMARY:**

We currently have three Ford Rangers (smaller trucks) budgeted for 2024. These vehicles are primarily used by our managers to access the parks, perform maintenance, small repairs and are occasionally people movers. These vehicles are also used to store, and haul tools and supplies for park operations and maintenance.

They were originally scheduled for replacement in 2020, but due to the pandemic and supply chain issues, their replacement has been delayed. We would typically seek to purchase through the state contract. Currently there is no state contract for the Ford Mavericks or comparable vehicles.

Price quotes were obtained from 3 local dealers. These are built to order and have an expected delivery date 3-4 months after the order is made.

Budget	Description	Willowbrook Ford	Fair Oaks Ford	Haggerty Ford
\$32,000.00	2024 Ford Maverick	\$27,575.26	\$27,845.00	\$31,750.00
\$32,000.00	2024 Ford Maverick	\$27,575.26	\$27,845.00	\$31,750.00
\$36,000.00	2024 Ford Maverick	\$27,575.26	\$27,845.00	\$31,750.00

**PREVIOUS COMMITTEE/BOARD ACTION:**

The board has approved vehicle purchases annually through state purchasing when applicable.

In April 2023, Resolution 2023-02 was approved allowing us to purchase vehicles through the emergency expenditure of funds without competitive bidding.

**REVENUE OR FUNDING IMPLICATIONS:**

The items above are line items in the 2024 Capital Budget 10-101-000-57-5706-0000. The existing vehicles would be declared as surplus and auctioned later in 2024.

**STAKEHOLDER PROCESS:**

Not applicable.

**LEGAL REVIEW:**

If approved, we would seek legal counsel on this process similar to purchases in the previous year.

**ATTACHMENTS:**

Three Dealer Quotes

**ALTERNATIVES:**

We can continue to source other options for suitable vehicles that are in stock or previously ordered from these vendors and local sources, but it is unlikely that any dealers will hold these vehicles for us.

**RECOMMENDATION:**

Staff recommends the Board of Commissioners approve the purchase of three 2024 Ford Mavericks through Willowbrook Ford at a price of \$27,575.26 each for a total cost of \$82,725.78.

## Annual fuel COST

\$1,850

Fuel Economy &amp; Greenhouse Gas Rating

This vehicle emits 370 grams CO<sub>2</sub> per mile. The best emits 0 grams per mile (tailpipe only). Producing and distributing fuel also create emissions. Learn more at fueleconomy.gov.

Actual results will vary for many reasons, including driving conditions and how you drive and maintain your vehicle. The average new vehicle gets 28 MPG and costs \$9,000 to fuel over 5 years. Cost estimates are based on 15,000 miles per year at \$2.95 per gallon. MPG is miles per gasoline gallon equivalent. Vehicle emissions are a significant cause of climate change and smog.
