

I am going to
Halloween Happening at
the Community Center.

It will take place inside and outside
at the Community Center.

I can dress up in a costume and bring a trick-or-treat bag.

When I arrive, I may need to visit the check-in table and wait in line to get tickets for some activities.

Lots of people will be wearing costumes. Some are silly and some may be scary.

It is okay if I am unsure of the scary costumes. I can tell my grown-up, they will help me feel safe.

If I need help or have questions, I can ask a staff member or someone working at the front desk.

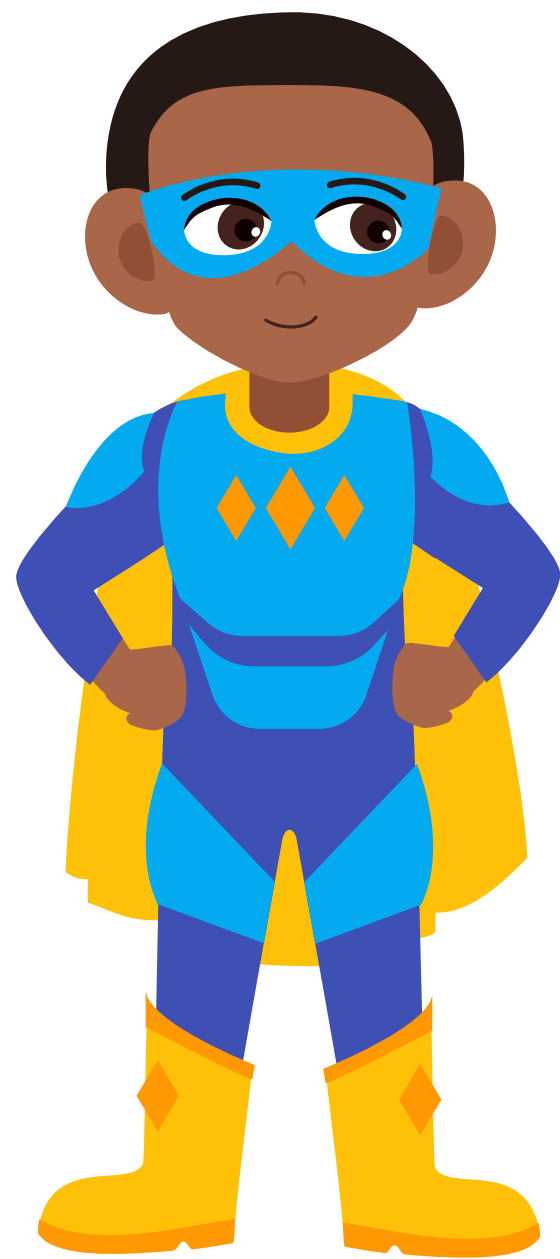

There will be different areas and activities for me to choose from.

In the Gym there will be carnival games, airbrush tattoos, a bounce house and other fun activities.

I will need to stand in line and wait my turn for some activities.

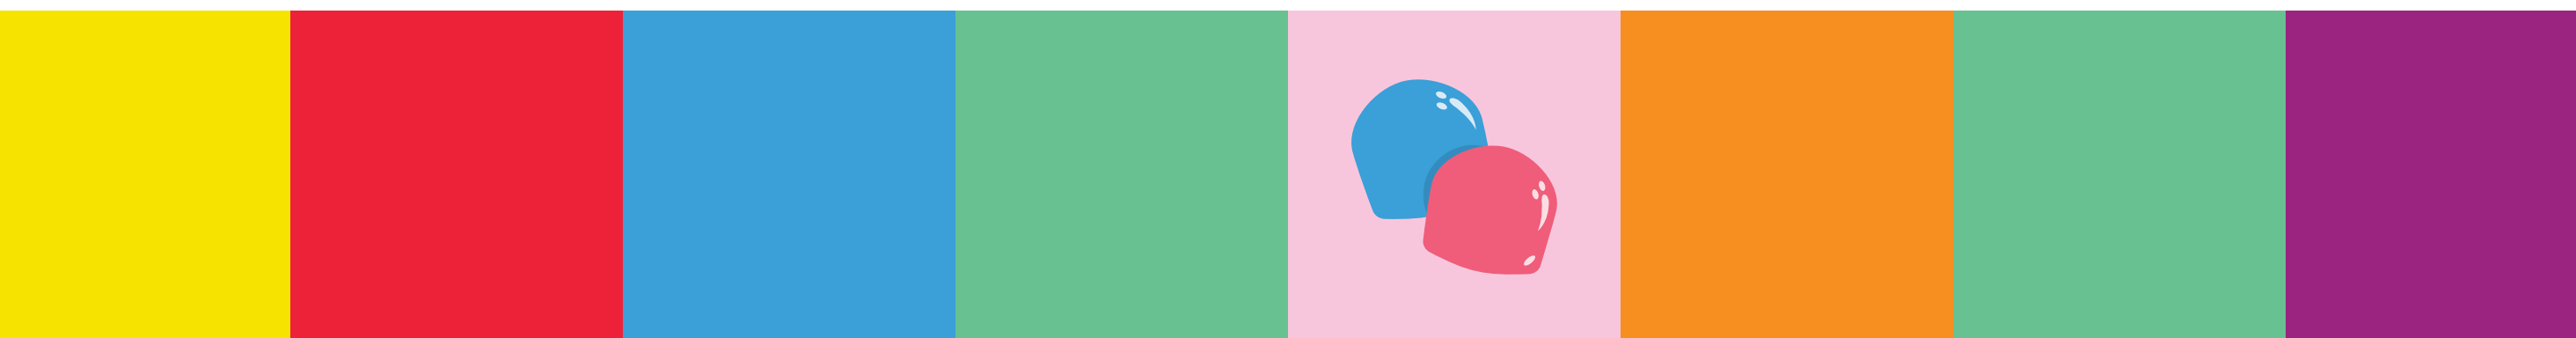

There will be a room with sensory activities and crafts I can make.

The Atrium will have tables set up in the back. Some of the tables will have giveaways or activities.

There will be a life-sized version of the game, Candyland in the auditorium.

I can walk along the Candyland Trail and trick-or-treat with different characters.

Outside, I can visit different
Touch-A-Trucks and trick-or-treat
at each one.

I will need to wait my turn when trick-or-treating.

There may be loud sirens or bright lights on some of the trucks.

If it is too loud, I can wear my headphones.

When I am ready to go, I will
leave with my family or friends.
