A. Commercial General and Umbrella Liability Insurance. The Consultant shall maintain commercial general liability (CGL) and, if necessary, commercial umbrella insurance with a limit of not less than \$1,000,000 for each occurrence. If such CGL insurance contains a general aggregate limit, it shall apply separately to this project/location. The Park District shall be included as an insured under the CGL, using ISO additional insured endorsement CG 20 10 or a substitute providing equivalent coverage, and under the commercial umbrella, if any. This insurance shall apply as primary insurance with respect to any other insurance or self-insurance afforded to the Park District. There shall be no endorsement or modification of the CGL limiting the scope of coverage for liability arising from pollution, explosion, collapse, or underground property damage.

B. Professional Liability Insurance. The commercial umbrella and/or employers liability limits shall not be less than \$1,000,000 for each accident for bodily injury by accident or for each employee for bodily injury by disease. If the Park District has not been included as an insured under the CGL using ISO additional insured endorsement CG 20 10 under the Commercial General and Umbrella Liability Insurance required in this Agreement, the Consultant waives all rights against the Park District and its officers, officials, employees, volunteers and agents for recovery of damages arising out of or incident to the Consultant's work.

E. General Insurance Provisions

(1) Evidence of Insurance. Prior to beginning work, the Consultant shall furnish the Park District with a certificate(s) of insurance and applicable policy endorsement(s), executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements set forth above. All certificates shall provide for 30 days' written notice to the Park District prior to the cancellation or material change of any insurance referred to therein. Written notice to the Park District shall be by certified mail, return receipt requested. Failure of the Park District to demand such certificate, endorsement or other evidence of full compliance with these insurance requirements or failure of the Park District to identify a deficiency from evidence that is provided shall not be construed as a waiver of the Consultant's obligation to maintain such insurance. The Park District shall have the right, but not the obligation, of prohibiting the Consultant from entering the project site until such certificates or other evidence that insurance has been placed in complete compliance with these requirements is received and approved by the Park District. Failure to maintain the required insurance may result in termination of this Agreement at the Park District's option. The Consultant shall provide certified copies of all insurance policies required above within 10 days of the Park District's written request for said copies.

(2) Acceptability of Insurers. For insurance companies which obtain a rating from A.M. Best, that rating should be no less than A VII using the most recent edition of the A.M. Best's Key Rating Guide. If the Best's rating is less than A VII or a Best's rating is not obtained, the Park District has the right to reject insurance written by an insurer it deems unacceptable.

(3) Cross-Liability Coverage. If the Consultant's liability policies do not contain the standard ISO separation of insureds provision, or a substantially similar clause, they shall be endorsed to provide cross-liability coverage.

(4) Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to the Park District. At the option of the Park District, the Consultant may be asked to eliminate such deductibles or self-insured retentions as respects the Park District, its officers, officials, employees, volunteers and agents or required to procure a bond guaranteeing payment of losses and other related costs including but not limited to investigations, claim administration and defense expenses.

(5) Sub-consultant. The Consultant shall cause each sub-consultant employed by Consultant to purchase and maintain insurance of the type specified above. When requested by the Park District, Consultant shall furnish copies of certificates of insurance evidencing coverage for each sub-consultant.

16. Indemnification. To the fullest extent permitted by law, the Consultant, its officers, directors, employees, volunteers and agents shall indemnify and hold harmless the Park District and its officers, officials, employees, volunteers and agents from and against all claims, suits, damages, causes of action, judgment, losses, costs and expenses, including but not

limited to reasonable legal fees (attorney's and paralegals' fees and court costs), arising from or in connection with the Services performed by the Consultant, its officers, directors, employees, volunteers and agents under this Agreement, including but not limited to any accident, injury, damage, property loss or theft, except to the extent caused by the negligence or omission of the Park District, or arising from or in any way connected with any act, omission, wrongful act or negligence of the Consultant, its officers, director, employees, volunteers and agents. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to the Park District. The Consultant shall similarly protect, indemnify and hold and save harmless the Park District, its officers, officials, employees, volunteers and agents against and from any and all claims, costs, causes, actions and expenses including but not limited to reasonable legal fees, incurred by reason of the Consultant's breach of any of its obligations under, or the Consultant's default of, any provision of this Agreement.

17. No Liability. The Park District shall not be responsible or liable for any injury, damages, loss or costs sustained or incurred by any person including, without limitation the Consultant's employees, or for any damage to, destruction, theft or misappropriation of any property, relating in any way, directly or indirectly, to the Consultant's Services and obligations under this Agreement. The Park District shall not be liable for acts or omissions of the Consultant or any of the Consultant's employees, subcontractor's, agents or other persons purporting to act at the direction or request, on behalf, or with the implied or actual consent, of the Consultant.

18. Independent Contractor. The relationship between the Consultant and the Park District is that of an independent contractor. The Consultant shall supply all personnel, equipment, materials, and supplies at its own expense, except as specifically set forth herein. The Consultant shall not be deemed to be, nor shall it represent itself as, employees, partners, or joint venturers of the Park District. The Consultant is not entitled to workers' compensation benefits or other employee benefits from the Park District and is obligated to directly pay federal and state income tax on money earned under this Agreement.

19. No Third Party Beneficiary. This Agreement is entered into solely for the benefit of the contracting parties, and nothing in this Agreement is intended, either expressly or impliedly, to provide any right or benefit of any kind whatsoever to any person and/or entity who is not a party to this Agreement or to acknowledge, establish or impose any legal duty to any third party. Nothing herein shall be construed as an express and/or implied waiver of any common law and/or statutory immunities, defenses and/or privileges of the Park District and/or the Consultant, and/or any of their respective officials, officers and/or employees.

20. Laws, Permits, Approvals and Licenses. The Consultant shall comply with all applicable codes, laws, ordinances and regulations of the Park District, the City of Wheaton, DuPage County, the State of Illinois, and the Federal Government. Except as specified in Consultant's Proposal, Consultant shall, at its sole cost and obligation, be responsible for obtaining all permits and licenses required to perform its duties under this Agreement.

Consultant shall be responsible to the Park District for any claims, damages, losses and expenses arising from the Consultant's failure to follow applicable laws, codes and regulations in execution of all of Consultant's Services pursuant to this Agreement.

21. Choice of Law and Venue. This Agreement is governed by the laws of the State of Illinois. Any suit or action arising under this Agreement shall be commenced in the Circuit Court of DuPage County, Illinois. In any suit or action arising under this Agreement, the prevailing party shall be entitled to an award of reasonable attorneys' fees and costs of litigation.

22. No Waiver. Waiver of any of the terms of this Agreement shall not be valid unless it is in writing and signed by all Parties. The failure of claimant to enforce the provisions of this Agreement, or require performance by opponent of any of the provisions, shall not be construed as a waiver of such provisions or affect the right of claimant to thereafter enforce the provisions of this Agreement. Waiver of any breach of this Agreement shall not be held to be a waiver of any other or subsequent breach of the Agreement.

Consultant's duties as set forth herein shall at no time be in any way diminished by reason of any approval by the Park District of the engineering plans authored by Consultant or its consultants and sub-consultants, nor shall anything contained in this Agreement be construed as a limitation on, or a waiver of, any remedies which the Park District may have at law or in equity for damages sustained or expense incurred because of, or arising out of, Consultant's errors, omissions, or failure to perform its duties or covenants in accordance with this Agreement. The grant of various rights to the Park District under this Agreement, and/or the failure of the Park District to exercise those rights do not and shall not create any responsibility or liability in the Park District for any error or omission of the Consultant in the provision of its Services.

23. Non-Assignment. This Agreement is non-assignable in whole or in part by the Consultant, and any assignment shall be void without prior written consent of the Park District.

24. Entire Agreement. This Agreement contains the entire agreement between the Parties and no statement, promise or inducement made by either Party to the agency of either Party that is not contained in this written Agreement shall be valid or binding.

25. Amendment. No amendment or modification shall be made to this Agreement unless it is in writing and signed by both Parties.

26. Headings. The headings for each paragraph of this Agreement are for convenience and reference purposes only and in no way define, limit or describe the scope or intent of said paragraphs or of this Agreement nor in any way affect this Agreement.

27. Notice. All notices, demands, requests, exercises and other communications required or permitted to be given by either Party under this Agreement shall be in writing and
