Terms and Conditions

- 1 **Services.** Customer hereby orders the services described on the Customer Service Agreement (collectively, the "Services")
- 2 **Acceptable Use.** Customer agrees to strictly comply with Call One's Acceptable Use Policy. To view Call One's Acceptable Use Policy, visit www.callone.com
- 3 **Term and Termination.** The term of this Agreement will begin on the date the Services commence, and continue for the Contract Term stated on the Customer Service Agreement (the "Term"). The Services and the obligation to pay for the Services will continue after the end of the Term on a month-to-month basis, unless either party terminates the Agreement or cancels such Services by providing at least 30 days prior written notice. If either party believes that the other has materially breached this Agreement (except if such breach involves the payment of money or a violation of Call One's Acceptable Use Policy), the non-breaching party shall give 30 days' written notice to the breaching party, stating the breach alleged, and shall give the breaching party an opportunity to cure during that period. If Customer terminates this Agreement prior to the end of the term, or if Call One terminates this Agreement for breach by Customer, immediately pay a termination fee, not as a penalty but as liquidated damages, equal to the total of (i) 100% of all Monthly Charges ("MChs") which would have been due for each remaining month had the Agreement not been terminated early; and (ii) One-Time charges ("OTCs") shown on the Customer Service Agreement, whether or not previously visited. If Customer cancels the Services before the Services are established, Customer shall be liable to Call One for all reasonable expenses incurred by Call One to process the order for Services, installing equipment and any special construction charges. Termination and cancellation charges are due within fifteen (15) days of the effective date of termination or cancellation.
- 4 **Rates.** The MCh (specified on the Customer Service Agreement) will apply to the Services during the Term. Upon expiration of the Term, the Monthly Charge will revert to Call One's prevailing month-to-month rates for the Services unless Customer has (i) entered into a successor agreement or (ii) canceled the Services, in each case effective as of the expiration of the Term. Charges for installation services established under other MChs included in the Services will be as indicated on the Customer Service Agreement. Call One will also bill Customer as a separate item item all applicable federal, state and other governmental taxes, surcharges and fees. Fees, surcharges and taxes are subject to change.
- 5 **Authorization.** Customer authorizes Call One to act as its agent for purposes of obtaining information on Customer's existing service(s) and to submit orders to reflect the Services ordered under this Agreement for the specific physical locations listed on the Customer Service Agreement and included in any supplement to this Agreement. This grant of agency shall remain in effect until revoked by Customer.
- 6 **Inside Wiring.** The applicable rates for inside wiring provided directly by Call One to Customer are specified on the technician-charges page of the Call One website at www.callone.com. - 7 **Liability.** The entire liability of Call One, if any, for damages to Customer or to any third party whether in negligence, (or), contract or otherwise, which may arise from Call One's performance or non-performance of the Services is limited to an amount equal to a prorated adjustment of applicable MChs or Release fees for the Services affected or any portion thereof. The foregoing limitation of liability includes any delays, omissions, interruptions, delays, errors or omissions in transmission occurring in the course of installing and/or furnishing the Services. Call One shall not be liable for fraudulent or unauthorized use of the Services.
- 8 **Applicability of Tariffs.** This Agreement orders Services at rates provided herein, and is subject to the terms and conditions set forth in Call One's then-applicable state tariff, which tariff is incorporated by reference. State tariffs are available through the regulatory page of the Call One website currently at www.callone.com. To view Call One's tariff, click here. Customer acknowledges all Services purchased pursuant to this agreement are for business purposes.
- 9 **Assignment.** Customer may not assign this Agreement (by operation of law or otherwise) without the prior written consent of Call One, which consent will not be unreasonably withheld or delayed. Any prohibited assignment shall be void.
- 10 **Entire Agreement.** This Agreement will legally bind the parties in the same extent as if manually signed. The terms contained in this Agreement and any documents referenced herein or on the Customer Service Agreement constitute the entire agreement between the parties with respect to the subject matter hereof, superseding all prior and contemporaneous understandings, proposals and other communications, oral or written.
- 11 **Jurisdiction / Collection Costs.** Any action or proceeding arising out of or related to this Agreement, Call One's tariffs or the Services may be commenced in any state or Federal court or agency of competent jurisdiction in the State of Illinois.
